**Beyond Galaxy's Edge** - part of the SFR Galaxy Award-winning "Most Fun New Series" The Phoenix Adventures

But the charming rogue has always outwitted her and she's had a hard time ignoring his hard body and handsome face. **Q** - How would you describe the Phoenix Adventures series?**A** - Treasure hunters in space! A few readers have said it's like Indiana Jones set far into the future. All the books in the series are fast, fun thrill-ride treasure hunts for old Earth artifacts. There is lots of action, adventure, space opera, and of course, romance. I'm thrilled the books in the series have won so many awards from a SFR Galaxy Award for Most Fun New Series to a Prism Award for Best Futuristic Romance (On a Rogue Planet) to the Romance Writers of Australia Romantic Novella of the Year (Beneath A Trojan Moon).

**Q** - Why did you want to write the series?**A** - I love action, adventure and romance. And I love science fiction romance and all the endless possibilities. Combine all that with a fascination with ancient artifacts and the Phoenix Adventures were born. I really wanted to capture what the expeditions of old must have felt like - trekking through jungles or desert sands and stumbling across crumbling ruins. Since all the good stuff has been found nowadays, I looked to the future and jetted off into space.

**Q** - What order should I read the books in?**A** - All the Phoenix Adventures books are stand-alone adventures - many readers have entered the series with later books in the series. However, characters from the early stories do appear in later books, so I think it adds something to the reading experience to read them in order. Here's the order I suggest:- Among Galactic Ruins (prequel)- At Star's End- In the Devil's Nebula- On a Rogue Planet- Beneath a Trojan Moon (novella)- Beyond Galaxy's Edge- On a Cyborg Planet (novella)- Return to Dark Earth- On a Barbarian World- Lost in Barbarian Space- Through Uncharted Space- Beyond Distant Stars (Coming Soon)

About Anna: I'm passionate about all things action romance. I love stories that combine the thrill of falling in love with the excitement of action, danger and adventure. I write about people overcoming unbeatable odds and achieving seemingly impossible goals. I like to believe it's possible for all of us to do the same.
