Pippa's Cornish Dream, an interesting read without any nightmaresVon Barbara BrockDer Roman ist nicht nur sehr unterhaltsam, allein wegen des Gegensatzes der "Bauernmagd", die vllig berfordert eigene Ansprche zurckstellt aufgrund der ihr anvertrauten jungen Geschwister und der jungen normalen Frau, welche Anerkennung und Liebe

braucht. Herrlich auch die Beschreibung des Bruders, der sich unter der Gide zweier Männer vom zornigen Randalierer zu einem mitdenkenden Jugendlichen entwickelt. Schliesslich die Liebesgeschichte, welche nicht unter explizierten beschriebenen Sexszenen leidet, sondern wie ein Naturphänomen daherkommt..1 von 1 Kunden fanden die folgende Rezension hilfreich. AwesomeVon Kathrin SpinnlerThanks for a great and well-written read. I really loved it. A wonderful romance novel for everyone to enjoy !!0 von 0 Kunden fanden die folgende Rezension hilfreich. ... is a dreamVon VeraLanhydrockA beautiful one, which contains everything one needs in a book you should read on a quiet, rainy Sunday: romance, a bit of drama, tragedies, laughter. Debbie Johnson combined all this and more and breathed life into her lovely characters of all ages.

KurzbeschreibungThe perfect summer story a funny and moving read set in glorious modern-day Poldark country. Bestselling author Jane CostelloEvery summer has a storySince Pippa Harte was forced to take over her parents farm, she barely had time to shave her legs let alone make time for a date. Now she's more likely to be getting down and dirty mucking out the pigs and avoiding those of the human male variety. When Ben Retallick walks out of her childhood and back into her present it seems that perhaps Pippa has more time than she thought. All Poldark smoulders and easy-going charm, Ben's definitely worth whipping her wellies off for! But Ben is a man with his own past and his own issues and as much as she's enjoying having him around, she's got to get a grip. After all life isn't always a beach Then again, this is Cornwall. Set on the gorgeous Cornish coast at the height of summer, this is the perfect romance to take on your hols! Debbie is the author of Cold Feet at Christmas, the #1 Christmas bestseller! **Pressestimmen** A sheer delight Sunday Express Has all the best ingredients for a holiday read: the beautiful West Country, a family-run farm, and a mystery man with Poldark-style charms Yours Magazine A summer romance with an abundance of country charm, Pippa's Cornish Dream by Debbie Johnson is a standout title for this season.
