KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Heart-warming and lovelyVon ColeDuncan and Brodie are very young, only eighteen. One out and proud, the other scared to

be 'out' after some harrowing bullying experiences in his youth. Both have a lot to learn, both make mistakes, but both know at the bottom of their hearts what they want. A realistic story, dealing with the aftermath of bullying and homophobia in everyday life. Duncan and Brodie draw you in and you simply have to root for them. I think this is very placed as a prequel - I enjoyed seeing the Fergus/Evan story from a slightly different angle, too. Loved it. A great read.

Kurzbeschreibung The prequel novella to a hot gay romance series set in Scotland! Duncan Harris is on the edge. Scandal has shredded his LGBT soccer teams history-making season, and now the once-unflappable striker is lashing out. Only one person can tame Duncans rage and make him feel like himself again Bullied by schoolmates in his wee village, Brodie Campbell lurked deep in the closet before coming to the city of Glasgow. Here at university hes out and proud, but the years of abuse have left him emotionally paralyzed. Can flatmate Duncan help Brodie escape his past and heal his wounded heart? As the two lads grow closer, Brodie cant forget how athletes like Duncan once tortured him. When Duncan attacks an opponent who threatens Brodie, the situation escalates. Soon Brodie doesnt feel safe anywhere especially in Duncans arms. To defeat the bullies whove wrecked his life, his mind, and his ability to love, Brodie must find the strength to fight his own battles. And Duncan must find the strength to let him. Glasgow Lads Series More Warriors are on the way! The series features a recurring cast of teammates, but each book contains a stand-alone romance, so they can be read in any order. - Play On, Duncan Brodie novella- Playing for Keeps, Fergus John novel- Playing to Win, Colin Andrew novel- Play It Safe, Fergus John short story- Playing with Fire, Liam and Robert novel- Play Dead, Colin Andrew novella- Playing in the Dark, Evan Ben novel, late 2017
