Von Tracey Alvarez : Playing For Fun (Stewart Island Series Book 6) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Playing For Fun (Stewart Island Series Book 6) (English Edition):

Kurzbeschreibung Is Ford Komeke New Zealands most reluctant bachelor? Wanted: A woman for Ford. Maori mechanic Ford Komeke cant deny he could use an up-skill in the dating arena. Its a local in-joke that his game, as far as women go, sucks. Thanks to the meddling of New Zealands worst octogenarian matchmaker, hes got an online dating profile, a new wardrobe, and a haircut from Stewart Islands sexy hairdresser, Holly Parker. But since hes well and truly mired in the friendzone with Holly, whats the harm in exploring his options? A little jealousy could work wonders. Offered: Dream job with a catch. What do you say when youre offered an un-turn-downable career opportunity? You say, hell-to-the-yeah! Only theres a problem. To get the dream job Holly must leave Stewart Island and her two best friends, Shaye and Ford. But if Holly can distract Shaye with wedding planning and set Ford up with a nice girl so she can stop imagining him naked, neither will notice if she exits stage right. Neither will notice if her feelings for Ford stop being strictly platonic. Warning: One kiss is never enough. As addictive as the chocolate stash Holly hides in her fridge, one kiss forces them out of the friendzone way out of the friendzone. Heat and hunger explode, but the ugliness in Fords past hold his heart hostage. Playing for fun or playing for keeps? Holly and Ford must decide because the consequences of falling in love means that someones heart or someones dream will ultimately end up shattered. PLAYING FOR FUN is the sixth story in Tracey Alvarezs best-selling Stewart Island books set against the stunning backdrop of Aotearoa, New Zealand. Married to a wonderfully supportive IT guy, she has two teens who would love to be surgically linked to their electronic devices. Fuelled by copious amounts of coffee, she's the author of contemporary romantic fiction set predominantly in New Zealand. Small-towns, close communities, and families are a big part of the heart-warming stories she writes. Oh, and hot, down-to-earth heroes--Kiwi men, in other words. When she's not writing, thinking about writing, or procrastinating about writing, Tracey can be found with her nose in her e-reader, nibbling on smuggled chocolate bars, or bribing her kids to take over the housework.
