development)But if you're looking for nothing to serious, a bit sexy goodness and likeable characters, than that's a good one5 von 5 Kunden fanden die folgende Rezension hilfreich. Amsant-sehr witzige CharaktereVon CustomerTja, was soll ich sagen? Das Buch hat mich mehr begeistern knnen, als ich anfangs gedacht htte. Ich habe mich wirklich kstlich amsiert, auch wenn einige Situationen etwas ins Lcherliche gezogen wurden, jedoch ist doch die Hauptsache, dass es mir gefllt und das war der Fall.Die Story wird abwechselnd aus der Sicht von Jason und Haley in der dritten Person erzht. Beides sind sympathische Charaktere, die so ihre Eigenheiten haben. Ich fand Jason's Obsession mit Essen wirklich sehr witzig und Haley mit ihren "fists of fury" war wirklich zum Brllen komisch. Die Situationen zwischen den beiden sind wirklich sehr schn und witzig zu lesen, aber auch sehr berhend.Die Liebesgeschichte zwischen den beiden fand ich schn, die Basis, auf der sie sich entwickelt hat, ist einfach sehr toll mitzuverfolgen. Manchmal htte ich zwar am liebsten die beiden wegen ihrer Sturheit und manchmal sogar Bldheit gerne durchgeschttelt, jedoch konnte ich ihnen das verzeihen.Empfehlenswert fr Leute, die mal Lust auf eine amsante Liebesgeschichte haben.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungDone with being the world's biggest pushover, Haley decides that things are going to start changing. The first thing that she was going to do was to put a stop to all the crap that her aggravating neighbor put her through. What she hadn't expected was to be sucked into his world, but Haley has a game plan and she won't let herself forget what the bad boy next door is capable of.The last thing that Jason expected was for his shy little neighbor to go Rambo on him over some ruined flowers, but he quickly got over it once he realized exactly what he'd been missing. After he decides to take her under his wing, he can't help but notice how nicely she fits in his life. Now the only thing left to do was to convince her that this is anything but a game.*Author's Note:This book is meant to put a smile on your face and give you a break from the day to day drama and stress that plagues us all. This book is intended for readers that like to smile, possibly laugh and just want to relax with a sweet romance.KurzbeschreibungDone with being the world's biggest pushover, Haley decides that things are going to start changing.
