Von Anne Tenino : Poster Boy (Theta Alpha Gamma Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Poster Boy (Theta Alpha Gamma Book 5) (English Edition):

KurzbeschreibungA Theta Alpha Gamma NovelIt's all fun and games until someone puts his heart out.After being outed to his hockey team and then changing schools, Jock figures hes due for something good like the sex he missed out on in the closet. Toby, the hot grad student he meets at a frat party, seems like a great place to start, and their night together is an awesome introduction to the fine art of hooking up.Tobys heart takes a bruising after the near-perfect experience with Jock leads to . . . nothing. Hes been left on the outside as his friends pair up into blissful coupledom, and hes in danger of never completing (or starting) his thesis. Cant something go right?Then Tobys coerced into chaperoning a Theta Alpha Gamma trip to France. Not that hes complaining. What better place to finish his thesis and get over that frat boy? Except Jocks outing is leaked to the press, turning him into an unwilling gay rights martyr, and he decides France would be a great escape, too. Its a break from reality for both guys, but they soon find their connection is as real as it gets.The Theta Alpha Gamma stories can be read in any order -- jump in wherever you'd like!Word count: 100,000; page count: 360
