Very intense, fierce and nerve-wracking Von vpobi This book was definitely completely different than expected. It is far from a normal BDSM story and more like a psychological thriller with certainty. Sometimes I did not know to whom I had more sympathy here, or for whom I felt more sorry. So an absolutely stubborn people like Bran it is, I have never experienced. To bear only from stubbornness so much suffering and pain, completely incomprehensible. Jonathan as

Dom was really to be pitied, somehow this failure. A book full of emotions and I was spellbound until the last page, my curiosity who are first surrender, I can't put the book down. And then the end, again everything differently than expected and I'm looking forward to the second part. Dieses Buch war definitiv komplett anders als erwartet. Es ist mit Sicherheit weit entfernt von einer normalen BDSM Story und mehr wie ein Psychothriller. Manchmal wusste ich nicht mehr, fr wen ich hier mehr Sympathie hatte, oder wer mir mehr leid tat. So einen absolut sturen Menschen wie Bran es ist, habe ich noch nie erlebt. Nur aus Sturheit so viel Leid und Schmerz zu ertragen, vllig unbegreiflich. Jonathan als Dom war wirklich zu bemitleiden, irgendwie dieses Versagen. Ein Buch voller Emotionen und ich war gebannt bis zur letzten Seite, meine Neugier wer gibt als erstes auf, lies mich das Buch nicht mehr weglegen. Und dann das Ende, wieder alles anders als erwartet und ich freue mich schon auf den zweiten Teil. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tough read Von Victoria I really didn't expect this kind of story when starting to read. I was prepared for another "happily ever after" tale. But halfway in I realized this might not be what I got. To be honest; it was a tough read. I often found myself crying or shouting at the characters, being not happy at how they behaved. But then - this is what makes the book so brilliant. They are humans. They behave rationally. They make mistakes. To me this was the very first BDSM book I read, where not everything was going like planned. And that's why I love it (especially when reading the 2nd volume thereafter). So don't be scared of the tough guys. All the hurt is worth it ;-)

Kurzbeschreibung Brandon McKinney has scraped and sacrificed for what little in life hes ever had. Though its been fifteen years since he escaped his fathers abuse, the damage remains. Trust seems as far out of reach as his dream of becoming an architect, and though hes come to accept being gay, he cant deny the shame and confusion he feels at other urgesthe deeply-repressed desire to submit. Jonathan Watkins is a self-made Silicon Valley billionaire whose ex-wife took half his money and even more of his faith. Comfortable as a Dominant but wary of being hurt again, he resorts to anonymous pickups and occasional six-month contracts with subs seeking only a master, not a lover. When a sizzling back-alley encounter cues Jonathan in to Brandons deep-seated submissive side, he makes the man an offer: Give me six months of your life, and Ill open your eyes to a whole new world. Brandon doesnt care about that; all he wants is the three million dollars Jonathans offering so he can buy the construction company he works for. But he soon learns that six months on his knees is no easy feat, and shame and pride may keep him from all he ever wanted and all he never dreamed he had any right to have. * * * * * PUBLISHER'S NOTE: This title is the first of a two-part story. We encourage readers to continue Bran and Jonathan's journey in Power Play: Awakening.
