Ich habe schon andere Bcher von ihr gelesen und bin jedesmal begeistert. Es ist leichte Lektre und so richtig zum entspannen. Man kann sich alles gut vorstellen und mchte ihr Haus gerne auch in Wirklichkeit betrachten. Die Charaktere sind einfhlsam und gut beschrieben, man liebt und

hasst mit ihr. Ich kann dieses Buch nur empfehlen, wenn man einen gemtlichen nachmittag bei Tee und Keksen mchte, auf der Terrasse sitzen mchte oder am Strand liegt oder im Zug fhrt, man hat immer ein kleines Stck England bei sich...1 von 1 Kunden fanden die folgende Rezension hilfreich. 2.BookVon DeedaIt is a light read indeed and loved the procedure of refurbishment and the cottage build in my head was just perfect! Not just practically!But still I didn't like this book as much as "Life Skills" eventhough Anna was more to my liking. As me she never drove a car ;)As usual the male part in Ffordes book are loveable and heroic!What I like best, eventhough I only read 2 books, about Fforde are her self-confident, strong-willed and ambitious characters!0 von 0 Kunden fanden die folgende Rezension hilfreich. Easy readVon BookwormYet another good and easy read. Lightens the mood and puts a lightness in ones step.....and allows one to take off into another world, where life is simple yet still so similar to ours....pointers to be taken and used.

KurzbeschreibungAnna, a newly qualified interior designer, has decided it's time to put her money and her expertise where her mouth is and risk everything to buy a tiny but adorable cottage in desperate need of renovation.Outside, the chocolate-box cottage is perfect, but inside, all is chaos. With a ladder for a staircase, no downstairs flooring, candles the only form of lighting, and a sleeping bag and camping mat for a bed, Anna soon wonders if she's bitten off more than she can chew.Her neighbor Chloe comes to the rescue, providing tea, wine, and sympathy--and a recently rescued greyhound, Caroline. But just as Anna's starting to settle in, make new friends, and see the house transforming before her eyes, the good-looking yet impossible Rob Hunter arrives on the scene and puts even more obstacles in her way. Will Anna be able to get over all of life's hurdles in the end, or will she stumble and fall?From Publishers WeeklyIn the less than sprightly latest from Fforde (Restoring Grace), newly minted interior designer Anna, 27, is renovating a run-down cottage in the Cotswold to flip for a profit. At her neighbor's request, she takes in a homeless greyhound, and it happens that Rob Hunter, the local greyhound rehoming officer, is also the inspector who ensures that historical homes are properly restored. Though he initially is a thorn in her inexperienced renovator side, Anna comes to appreciate Rob's humor, warmth and caring nature. But then Max Gordon, the architecture guest lecturer Anna's had a crush on for years after a near-miss on getting together when she was in college, appears at her London reunion and seems poised to sweep her off her feet. The cast of country secondaries provides color and interest, and Fforde adroitly registers Anna's subtler feelings. But the pace is slow, and the renovation details overwhelm the romance. (Apr.)
