izEin nettes, freundliches, kurzweiliges Buch; nicht mein neues Lieblingsbuch, aber eine durchaus unkomplizierte Strandlektre, die es sich zu lesen lohnt.

KurzbeschreibungHes a man in possession of a large fortune.but is he in want of a wife?!It is a truth universally acknowledged that Natalie Dashwood loves to shop. After all, as the heiress to the renowned London department store Dashwood James shes been wearing designer shoes since she could walk! But a socialites life isnt as perfect as you might imagine Natalies spending is spiraling slightly out of control, her rock star boyfriend is engaged to someone else, and it seems the family business is in financial crisis. New high-flying business exec Rhys Gordon has been brought in to save the company from ruin, but what are his motives? And infuriatingly even a shoe-shopping spree cant take her mind off his distracting and oh-so-charming smile Couture and confetti mix with scandal and intrigue in this wonderful tale of retail, romance and redemption.Praise for Katie Oliver'In a tone similar to Sophie Kinsella but altogether her own, Katie Oliver will write her way into your heart with her characters and her stories.' - A Woman Reading'This light-hearted read is a very promising debut' - Chicklit Club'Full of affairs, Louboutin shoes, blackmail and scandal' - The Book Geek Wears PajamasKurzbeschreibungHes a man in possession of a large fortune.but is he in want of a wife?!It is a truth universally acknowledged that Natalie Dashwood loves to shop.
