Und einige davon lese und hre ich als Hrbuch immer wieder gerne, weil ich so begeistert bin.Aber von "Prescription for Love" bin ich nicht angetan. Bin mir nicht ganz sicher, ob es in diesem am schnellsten ging von Kennenlernen bis Happy together forever, ach inklusive

kurzes Zerwürfnis natürlich. Die Geschichte hat meines Erachtens keine richtige Tiefe, es gibt keinen richtigen Alltag und ich als Leser bekomme nicht die Chance die Charaktere kennenzulernen. Bei mir kam es an wie Copy-Paste des Buches "Against Doctor's Orders", im Stile einer Nora Roberts - eine Storyline reicht für mehrere Bücher. Und daher ziehe ich drei Sterne ab. Positiv Werte ich die gute Kindle Edition und wie Radclyffe schreibt. Werte ich als schwächeres Buch der Autorin. Preis-Leistung ist für mich negativ. Daher keine Kaufempfehlung. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Awesome Von Astrid Great Read and thank you so much for the transgender Teen it's so important that we know it and how difficult it is for the Young People and their Parents. Kurzbeschreibung Flannery Rivers is content to let her sister Harper carry on the family dynasty at the Rivers hospital where they both work and on the home front. Now that Harper is settled and soon to be happily married, Flannery can ease back into her life of casual flirtations and find all the excitement she needs in the ER. She's even got her next playmate all lined up, or so she thinks. Abigail Remy is a city girl who accepts a position at the imperiled country hospital in the hope of finding a stable, safe community for her teenaged trans son. Unfortunately, when she arrives to work, she discovers the current ER chief is less than happy to be replaced by a fresh-out-of-residency newcomer. Add unexpected attraction to the incendiary mix of city and country, fire and ice, tradition and change and the prescription is combustible.
