Von Susan Mallery : Prince Charming, M.D. (Prescription: Marriage) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Prince Charming, M.D. (Prescription: Marriage):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A heartwarming book Von Ein Kunde This book was an emotionally satisfying book to read. I finished it in one day; I just couldn't put it down. It shows that we shouldn't judge a person by how they look. You always have to look deeper to

find the person inside.

Kurzbeschreibung New York Times bestselling author Susan Mallery delivers a celebrated story about finding the courage to forgive. Just about every nurse at Honeygrove Memorial is swooning with the arrival of heartthrob surgeon Trevor MacAllister. All except disillusioned Dana Rowan, who has vowed never to get involved with a doctor much less be lured by Trevor's charm again. She's resolved to stay as far away from "Dr. Love" as possible, but with fate conspiring against her, this is easier said than done. Trevor may be a brilliant surgeon, but being paired with Dana in a training seminar will push his limits and force him to confront some unresolved feelings. He realizes that beneath Dana's prickly exterior is a heart just as tender as his own. Learning to work together is something they should be able to manage so long as love doesn't get in the way. Prince Charming, M.D. is part of the Prescription: Marriage miniseries along with A Doctor's Vow by Christine Rimmer and Dr. Mom and the Millionaire by Christine Flynn.
