**Von Johanna Lindsey : Prisoner of My Desire (Avon Historical Romance)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Prisoner of My Desire (Avon Historical Romance):

cherish it until I die. I know the plot involved a lot of sexual encounters, but these episodes were all extremely enticing to read and one could not miss the fact that Rowena and Warrick's passion led to their powerful love. It is my opinion that Lindsey created her best male character ever in Warrick. Physically and emotionally described on every level, he is one of the few personas in the romance novels that I have read that seems "real," if you know what I mean. Rowena was wonderful, too, but her character was basically just like a lot of Lindsey's other heroines; there was nothing really that distinctive about her. Regardless, I love this book. I pick it up to review my favorite passages all the time ... and I've been doing this for the past 8 years! It's thoroughly enjoyable, and it may sound odd to say, but it changed my life. When I first read it when I was young, I got my first taste of what love would be.

Von obyI am an avid reader of romance novels, I have read many but never have I come across one so original. If you read romance novels as much as I do, you would know that great, imaginative storylines are rare and hard to find. This, indeed, is one of the best books I've come across. I always find it irritating when I read a one-sided review that tells me nothing about what the book is about, so here it is [briefly]: Rowena Belleme, a young, beautiful, virginal, aristocratic woman is forced to do the unthinkable due to some terrible circumstances. She's made to 'rape' Warrick, a great Lord, who also happens to be a gorgeous, big giant of a man. After the deed is done - the reason the deed was done was because Rowena's elderly husband croaked in the nick of time and a suitable replacement was needed fast! so became the abduction of Warrick - they let the handsome knight go, never expecting to hear from him again. What a shock they were in for because in not too long Warrick was back, and with his army too. Rowena was captured, as Warrick had vowed revenge and Rowena was going to pay. She was taken to his castle, where she was repaid in kind by Warrick, over and over, again and again. After a while Rowena is made his personal servant to serve him only. I bet you can guess that his passion is very ardent and she recoils at first, fearing his lust ... I'll let you wonder the rest.

Anyway, the book was a delightful read. I'm not an obsessive fan of Ms. Lindsey's but I must say that she has done a very, very good job. I recommend this book to anyone who likes tummy-wrenching erotica along with sweet romance. I thought this book was a two-hanky read.

Von Tracy TalleyI know some objected to the beginning with what Rowena did to Warrick, but it was the times. All in all it's one of my favorite of her books. Lots of steamy love scenes. I recommend this read.

KurzbeschreibungDestined to be yet another bestseller from the inimitable Johanna Lindsey. Spirited Rowena Belleme must produce an heir - or incur the dangerous wrath of a ruthless stepbrother who stands to forfeit his ill-gotten wealth. And the magnificent Warrick deChaville is the perfect choice to sire her child - though it means imprisoning the handsome knight and forcing him to bend to her amorous whims. Vowing to resist but betrayed by his virility, noble Warrick is intoxicated by Rowena's sapphire eyes and voluptuous beauty. Yet all the while he plans a fitting revenge - eagerly awaiting the time when his sensuous captor becomes his helpless captive. . .and is made to suffer the same rapturous torment and exquisite ecstasy that he himself has endured.

Pressestimmen"High-quality entertainment. The charm and appeal of her characters is infectious." \* Publishers Weekly \* "First-rate romance." \* New York Daily News \* "Delicious, sexy, historical romance with a clever twist." \* Booklist
