Der Plot ist interessant, auch wenn man bald wei, wie er sich entwickeln wird. Einfach zur Unterhaltung (und um Englischkenntnisse zu ben) ist das Buch gut.0 von 0 Kunden fanden die folgende Rezension hilfreich. A very nice read...Von Gioia... the characters make

sense and it is very down to earth, the end a bit overly romantic.... but totally entertaining.

Kurzbeschreibung Twin brothers are reunited after twenty years of silence and blame when the prodigal son returns home . . . In a matter of days, Peter McDowell loses everything he has worked so hard for including his marriage. Stripped of everything, he has only one place he can retreat to: the home he left twenty years ago. There, he comes face to face with his brother for the first time in years. At first, Peter dreads seeing Michael again but to his surprise their reunion is tender and real. Only later, as Peter mulls over his late mother's journals, does he begin to question what lies beneath Michael's perfect surface. In a race for time, Peter throws caution to the wind to find the truth. What he discovers will change their lives, the lives of their children and an entire town for ever. A riveting novel of secrets, salvation, and redemption from master storyteller Danielle Steel. Pressestimmen Fraternal twins raised together [turn] out to be very different and very much in conflict. One twin leaves home, but when this prodigal son returns, is he the evil twin, or is his brother? Steel yourself. Library Journal Readers should be prepared for revelations of wickedness on a vast scale.
