case with Sequels.

KurzbeschreibungThe epic conclusion of New York Times bestselling book Promise Me Darkness."I'm darkness, Maddie. Stay away from men like me. You'll only get hurt."At one time my life was simple. Easy. But that was before the war. Now I was no longer an average college student. I was a survivor. A woman living in a ravaged world. My future was not bright and my life was far from perfect. The war had taken so much from me but it wasn't finished yet. It wanted more.It wanted my heart. My soul. The one person I couldn't live without.It wanted Ryder Delaney. My best friend. The bad boy. The one person who could fight like no other and love me like no one else. He was the father of my baby. I watched him walk away one hot summer day and I prayed he would return. I needed him like I needed air to breathe and water to drink. Without him I was lost. A light without her darkness.Until he returns, I'll wait for him. And I believe he will return because love is powerfulAnd so is the light calling him home.Cover by Sarah Hansen of Okay Creations will be revealed September 9th!

ber den Autor und weitere MitwirkendeReading has always been my first passion and romance novels have always been my obsession. That turned into a love for writing at a young age. I wrote my first book when I was a teenager and haven't stopped since. Many stories later, I decided it was time to take the leap and self-publish. "Promise Me Darkness" is my first published novel that instantly became a New York Times and USA Today bestseller. I'm a native Texan who still resides in the town where I was born. If I'm not reading or writing, I'm chasing my two kids around, spending time with my husband, and trying desperately to keep my sanity.
