Krankenhausrechnungen ihrer Mutter und damit diese, nach dem Selbstmord ihres Vaters, ihr Haus nicht verliert und mit den zwei kleinen 5 Jahre alten Brüdern auf der Straße steht. Der MC verkauft sie wiederum weiter an einen anderen MC sozusagen als Friedensangebot. Dort soll sie dann das Bett vom Präsident wärmen, vorher bekommt sie aber dessen Sohn, der VP des Clubs ist zu Gesicht und macht sich dann erstmal ran. Und irgendwo in der ersten horizontalen Runde springt dann wohl auch sowas wie ein errrrr Funke ber zwischen den Beiden 18% Ich kann mich nicht erinnern, wann ich das letzte Mal so früh aufgegeben habe. Ich habe schon einiges an MC Romances gelesen und wer in den Abgrund sehen will, der kann das auf excellentem Niveau mit Madeline Sheehan oder Susan Fanetti tun. Aber bitte nicht mit diesem Buch. Der Stil ist Schulaufsatz, die Story ist sowas von grottig und der love interest in keinster Weise sexy sondern einfach nur eklig. Gute Liebesromane zu schreiben ist per se schon nicht einfach, in der Regel werden die gleichen Geschichten abgenudelt. MC Romance zu schreiben, grad wenn es 1%ter sind also outlaws, ist meiner Ansicht nach noch schwieriger, weil das Klientel normalerweise eben keine sympathischen Leute sind, das kann man drehen wie man will, das ist so. Da eine Liebesgeschichte reinzubringen, bei der auch der männliche Charakter halbwegs okay rüberkommt ist sehr schwer. Und C.M. Owen schafft es nicht. Von dem Typen reichen mir 18% und von der Gesamtstory auch. 0 von 1 Kunden fanden die folgende Rezension hilfreich. New genre - new awesomeness Von Glückskind After her paranormal romance series, her romcom Sterling Shore C.M. Owens once again decided to give another genre a try. And what can I say? It is really worth it. This is the first part of a two book story that leads into a new series about hot bikers and their more or less shady business. I loved Drex and Eve. I can barely hold all the swear words in I want to put in this review, but I behave... :DI don't want to write too much about the story, just know it ends with a huuuuuuuuuuuuuge cliffhanger and if you can wait... Wait till next week when the second book is going to be published. If you can't wait... Your loss, but you get the insight on a new fantastic story. Thank you, C.M. Owens for this book. It is another great one I can recommend everyone who wants to know it and those who don't want to know about it... 0 von 2 Kunden fanden die folgende Rezension hilfreich. Nice topic Von - Kunde Sehr spannend geschrieben. Hat man den Anfang gelesen, muss man sich unbedingt den zweiten Teil kaufen, weil es so spannend geschrieben ist.

Kurzbeschreibung EVE Whats the most selfless thing youve ever done? What price tag would you put on the ability to save the ones you love? They say the worst decisions are made by the desperate or the fools. I was desperate enough to make a foolish decision to save my family. The cost? Me. They may be a motorcycle club, but in all honesty theyre really an elite unit of criminals who just happen to drive motorcycles. Theyre a business. An organization. A fully functioning army What Ive learned? They work in the gray area; life and death is real; and everyone wants everyone dead. Okay, so maybe thats dramatic No. No its not. Its legit. I prepared for the worst, fully anticipating hating my new life. Turns out, I finally found out where I belonged. Oh, and I discovered Im a little twisted or crazy. Maybe both. Drex Caine, the man without a conscience, didnt ruin me the way I thought he would. Instead, he made me feel like I was living instead of just waiting to live. And I can never go back to the way things used to be. *Graphic Language* Sexual Content *Dual POV Please note: Book 1 does end on a cliffhanger, but book 2 has the conclusion and will be released March 28, 2016. After book 2, the rest of the series can be read as stand-alone novels without cliffhangers and will have different main characters featured.
