A DEFINITE MUST READ-CAPTIVATING STEAMY ROMANCEVon midniteinkPROTECTION-A spine-chilling standalone steamy romantic story.This story focuses on Elly, a petite, sultry, intelligent, sassy, beautiful pop star;

Connor, a head-turning gorgeous, muscular, overbearing, ex Navy Seal and bodyguard for Elly. This story is filled with awesome, potent, impressive and engaging characters, spectacular story-line, picturesque and intense vivid scene descriptions, phenomenal banter, horrific danger, abduction, pent-up rage, spiraling emotions, life threatening incidents, gripping suspense, camaraderie, action, gut-wrenching moments, family issues, skyrocketing toe curling sensual romance, and a melt your heart conclusion leaving you wanting more. Elly is at the top of the entertainment world, music tours, TV shows and the like, but her beauty and popularity has attracted a deranged stalker. The company that sponsors her has demanded that she have a 24/7 bodyguard or cancel her tours. Connor is hired because of his good looks, a pretend beau for the media. His bossy persona brings out Elly's sarcastic demeanor. There is a lot of tension between the two as romantic feelings begin to flourish; Elly's mom is marrying Connor's Dad, and in the midst of this there is a stalker on loose planning his revenge. WOW-MAGNIFICENT fast paced well written read by a truly gifted author. The author has managed to fuse authenticity and fantasy to create a most impressive and entertaining story, and I loved it. The fabulous dialogue, suspense, and passionate romantic scenes keep you glued to the story till the conclusion. The characters are convincing and more than praise-worthy. Connor's unwavering devotion shines, and Elly is a fabulous character that you most certainly will remember. If you treasure romantic stories with a touch of danger this definitely a terrific choice for your library. {I was given a copy of this book for a completely honest review}. The possibilities in fantasy romance is endless and always fascinating. Without reservations I recommend this book.....
