But this one is my favorite. Because Randy and Lilly are so perfect and sweet and cute and I don't know...i love this couple and their love story sooo much. Randy is such a sweet guy. And dear God, there's a second book about them!!!! But the other books a so good, too. Alex and Violet are so weird and sweet. Alex is so intese and Violet, well she's a little bit crazy Awww...Yeti and Sunshine! Their book is sooo funny. I couldn't stop laughing. OMG...Lance, his story is really sad, but i really liked the way everything played out for him. This book is one of my favorite ones, too. His girl is a sweetheart, a quiet, shy and cute girl. Exactly what he deserves. Their story was slow and sweet...just like your favorite dessert, you don't want it to end! There are just 5 stars, but I would give every single book 10!! People if you want intese love making, hot hockey players, funny lines and sweet love declarations...BUY every book!!! (If there are some mistakes, I'm really sorry. I'm from germany, but I gave everything I could)0 von 0 Kunden fanden die folgende Rezension hilfreich. ...an amazingly adorable funny sexy Hockey Romance!Von Bianca @BJsBBRANDY!We all remember him from the last book. He's Miller's best childhood friend, and he has been traded to Chicago last season. Total ladies man.LILY!She's Sunny's best friend from back home in Guelph, Canada.Randy Lily already met in the last book, where they had a little something in that cabin, after finally she broke up with her idiot boyfriend of 7 years Benji.But after that little something Lily is so totally embarrassed but also angry at Randy.And Randy, he wants more but it's hard to pin that girl down. He can't even talk to her, as soon as they see each other, they end up half-naked in a bathroom.He knows he will only ever be the rebound guy, but he still wants that....And Lily.... can she be with a guy without feelings?And of course their friends are looking very closely at whatever they do, because they don't want anyone to get hurt in the end. Finally the next book in this adorable Hockey series.I loved this story!If I had to say which of the three books is my favorite? I think I'd still go with the second one...BUT that doesn't mean that Randy's book is anything less than FIVE BIG FAT STARS!!!It was so adorable to watch Randy Lily together.Both not really wanting something serious.Lily, because she just broke up with Benji, and Randy, because he thinks he's just like his cheating dad.Then there's also the thing with Randy always turning off the lights when they start their sexy-time...what's that all about?I loved watching them find their way to a Happy Ever After they didn't even know they were looking for.And I especially loved that we got to see all our darlings again - especially LOL-hilarious Violet!!! PUCKED OVER was an amazingly adorable and funny and sexy romance about two lonely fighters, who finally find the Happy Ever After they didn't even know they were looking for for all their lives.1 von 1 Kunden fanden die folgende Rezension hilfreich. Aller guten Dinge sind dreiVon T. MrzAm Anfang konnte ich mir bei der Geschichte zu Randy Lily nicht viel vorstellen, aber Helena Hunting hat ein tolles Buch geschrieben. Ich persnlich finde, dass das dritte Buch der Reihe einen ernsteren Ton hat als die Vorgnger. Beide Protagonisten haben Unsicherheiten und ihre Verletzlichkeit ist fr meine Begriffe auf einem anderen Level. Tiefgrndiger. Die Beziehung der beiden wchst sehr langsam. Damit meine ich die emotionalen Aspekte. Physisch gesehen ist es mehr so bm whm, funktioniert. Aber das war ja schon in Pucked Up ersichtlich.Das Tempo der Geschichte ist angemessen und generell gut geschrieben. Natrlich kommen auch wieder absurde Namen vor, die Hunting gerne verwendet und die nicht jedermanns Geschmack sind. Ich konnte sie ganz gut ignorieren. Auch altbekannte Figuren tauchen wieder auf und leisten mit ihrem "crazy" zur Geschichte bei.Generelle Empfehlung von mir.
