Gelungener Abschluss der Soho Loft RomancesVon BenGunReady or Not ist der (leider) letzte Teil der Soho Loft Romances. Nach den beiden ersten Teilen ist nur noch Mallory, die eigentliche Chefin der Soho Savvy Werbeagentur noch nicht vergeben. Mallory stammt aus einer wohlhabenden Familie und eigentlich sollte ihre Partnerin

dementsprechend sein. Doch das ist die flotte Barbesitzerin Hope, die aus gänzlich anderen Verhältnissen als Mallory stammt und die zudem noch eine Zwillingsschwester hat, die auf die schiefe Bahn geraten ist...Im Vergleich zu JTW, dem zweiten Teil der Serie, hat sich die Autorin meines Erachtens wieder gesteigert und liefert eine rundum gelungene Romanze ab. Natürlich folgt auch diese dem blichen Schema und auch dieses Buch hinterlässt einem mit einem angenehmen Gefühl. Alles in allem ein gelungener Abschluss der Trilogie. Leider sind nicht mehr Models in der Soho Loft, so dass mit einer Fortsetzung wohl eher nicht zu rechnen ist. Leider.

Kurzbeschreibung Sometimes wrong is extra right. Mallory Spencer is in charge. As the face of Soho Savvy, the advertising firm she owns with her three best friends, its important that shes poised, polished, and put together. However, as she watches her friends couple up and settle down, she wonders about her own happily ever after. One things for sure. Its not going to happen with that blue-eyed bartender from Showplace. Its irritatingly clear they couldnt be more wrong for each other...or have more chemistry. Hope Sanders wants nothing more than to keep her head down and craft a better life for herself running everyones favorite nightspot. That means ignoring the groupies that flock to the bar to stare at her all night. However, an uptight brunette has snagged Hopes attention and she knows a challenge when she sees it.
