Married to a wonderfully supportive IT guy, she has two teens who would love to be surgically linked to their electronic devices. Fuelled by copious amounts of coffee, she's the author of contemporary romantic fiction set predominantly in New Zealand. Small-towns, close communities, and families are a big part of the heart-warming stories she writes. Oh, and hot, down-to-earth heroes--Kiwi men, in other words. When she's not writing, thinking about writing, or procrastinating about writing, Tracey can be found with her nose in her e-reader, nibbling on smuggled chocolate bars, or bribing her kids to take over the housework.
