Von Iris Johansen : Reap the Wind (Wind Dancer) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reap the Wind (Wind Dancer):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A book

to be remembered always. Von Ein Kunde This is one of a trilogy, but the rich historical background in the novel has been made very real by the author; her characters are alive, vibrant, and people from other ages and times leap out at you from the book. The Wind Dancer is symbolic of not just a priceless, much-sought-after statue--it is something that calls to mind a pure transcendent beauty that an artist's hand has realized and that nobody else can copy--something so powerful that an identical copy of the same piece cannot fool even a man whose eyes are going blind. The image evoked of the Wind Dancer is special beyond description. Admittedly the visual painting of the Wind Dancer has to be helped by the imagination. But trust me, the hero and heroine and the fresh style in which the story is portrayed will keep your eyes open--no lengthy, flowery passages as if the thing was an epic, just a gorgeously written plot, and with the romance thrown in, the whole thing is very nicely spiced up. These are not the only things in the book. I read it years back, and am looking for it again, and still I cannot ever forget it. The story is well researched, but the skill with which the knowledge of the time is made three-dimensional does the historical background more justice than ever. Those who know of this book will know what I mean. You won't forget the hero and heroine long after their names have faded from your memory--they have a staying power, and they blend to fit into their world despite of differences. Keep writing, Johanssen--you have got the gift.

1 von 1 Kunden fanden die folgende Rezension hilfreich. I found the characters and locations intriguing. Von Ein Kunde I had a difficult time putting this book down. The author has obviously spent time researching her history and she had me on the edge of my seat for the entire book. I look forward to reading the rest of the Wind Dancer series. If you like romance intermingled with mystery this book is for you. The secrets will surprise you!

0 von 0 Kunden fanden die folgende Rezension hilfreich. Intriguing and spell bounding Von Ein Kunde I read the wind dancer trilogy 10 years ago and I loved it. Iris Johansen is one of my favorite story tellers. Her name is the guarantee. The trilogy was well researched. When I read the winddancer, I really got hooked up and could hardly put it down. After reading it, I really went out of my way just to search for a copy of the Storm Winds and Reap the Wind. Now that I am 10 years older, I would like to read the Trilogy again.

Kurzbeschreibung An elusive killer...a deadly obsession...and a woman who must destroy him--or become his next victim. Some would kill to know what Caitlin Vasaro knows. For the secrets she's kept hidden all her life are the kind that the rich and the powerful will do anything to possess. But not even Caitlin knows how much danger she is in--or how far someone will go to hunt her down. But she is about to find out when she enters a business deal with the mysterious and charismatic Alex Karazov and joins the hunt for one of the world's most coveted treasures, the Wind Dancer, an ancient statue of legendary beauty and power. But Karazov is a dangerous man who has an even more dangerous enemy and suddenly Caitlin is thrust into a shadow world of intrigue and deception, unable to trust anyone, not even the one man who can help. Now she must outsmart the cleverest of killers, a psychopath obsessed with the Wind Dancer whose ruthless plan spans continents and whose lethal rampage won't stop at one death...or two...or even three--not until he finally gets what he wants: the secret Caitlin will die to keep.

Pressestimmen Iris Johansen is incomparable. --Tami Hoag
