Von N.R Walker : Red Dirt Heart 3 (Red Dirt Heart Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Dirt Heart 3 (Red Dirt Heart Series) (English Edition):

Loved it!Von Philipp CzakertI simply love the story of those two.I was reading the book on a rather long train ride and i am pretty sure that i gasped very loudly when Trevis did that thing in the end (don't wanna spoil). This is one of those story's that makes me sad, because i just cant imagine that there is one out there that will get me as much as this

one. Just now I consider to start the whole thing all over again.... But maybe I should wait until this strange need for applying for an Australian Visa and researching farms in the outback is fading ... don't know where that is coming from ...1 von 2 Kunden fanden die folgende Rezension hilfreich. Was bin ich froh, Von emsedas N. R. Walker ihren Job aufgegeben hat, um sich ganz dem Schreiben zu widmen. Denn kaum habe ich Red Dirt Heart 3 ausgelesen, fiebere ich schon dem nächsten Teil entgegen. So ging es mir nach jedem Band dieser Serie. An dem Buch stimmt einfach alles.

Kurzbeschreibung Life for Charlie Sutton has never been better, or busier. With Travis now a permanent fixture of Sutton Station, a permanent fixture at Charlie's side, Charlie's convinced he couldn't do anything on his ever-growing to-do list without him. He can run a multimillion dollar cattle business, finish his degree, try and further the local beef industry, deal with staff issues, Mas failing health, and an attention-demanding wombat. He can even deal with an unexpected visitor and some shattering news. He can deal with it all, as long as he has Travis. But what happens when he doesn't? Red Dirt Heart 3 is the story of Charlie Sutton finally realising he can be the man Travis Craig deserves, even if he doesn't have Travis. It's a story of love, family, holding on, letting go and coming home.

ber den Autor und weitere Mitwirkende N.R. Walker is an Australian author, who loves her genre of gay romance. She loves writing and spends far too much time doing it, but wouldn't have it any other way. She is many things; a mother, a wife, a sister, a writer. She has pretty, pretty boys who live in her head, who don't let her sleep at night unless she gives them life with words. She likes it when they do dirty, dirty things...but likes it even more when they fall in love. She used to think having people in her head talking to her was weird, until one day she happened across other writers who told her it was normal. She's been writing ever since...
