empfehlen kann! Die Autorin gefällt mir wirklich gut. Leider ist an gebundene Ausgaben weder in deutsch noch in englisch wirklich rankommen. So bleibt sie erst einmal im virtuellen Kindle-Lieblingsregal, und hat wenigstens den Vorteil, dass man ihre Bücher zu einem winzigen Preis (und ohne lange drauf warten zu müssen) verschlingen kann. Auch gut! Die Heldin ist Irin und hat eine leidvolle Geschichte, trägt diese aber mit Mut. Sie landet im Haushalt von Ragsdale, der in Selbstmitleid und Fusel ertrinkt - und nimmt sich dann vor, ihn zu reformieren. Die beiden werden ungleiche Freunde und Partner und die Liebe ist natürlich auch nicht weit. Dabei sind beide Helden so real, so voll von Fehlern, dass man gar nicht anders kann, als sich zu verlieben. Und dass passiert auf eine so "unschnulzige", witzige und echte Art, dass man einfach nur entzückt sein kann. Also, ich bin voll des Lobes für Carla Kelly und ihre Regency Romance. Eine super Entdeckung :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Reformation made easy Von Gloria Muller This is a great book. Not only romantic but funny. Not as staid as some can be. Waiting for the next

Kurzbeschreibung Dont cry, Emma, he said. Im not crying, she murmured, attempting to wipe away the tears. Thank goodness for that, he replied, keeping his tone light. Pon my word, Emma, I hope you are worth five thousand pounds. The infamous Lord Ragsdale is as rich as sin, as sinful as he is rich, and as heartless as he is handsome. But after he saves Emma from a life of indentured servitude and shame, Emma decides that it is her personal duty to save him from his wicked ways. Step one stop his drinking, his gaming, and his wild revelry. Step two make him break up with his mistress, the superbly sensual Fae Moull, and transform him into a suitable suitor for the ideal wife that prim and proper Lady Clarissa Partridge would be. Step three dont fall in love with him. Bestselling author Carla Kelly proves once again that love, transformation, and spontaneity are the best ingredients for an exquisite romance." I like writing about warfare at sea and ordinary people of the British Isles, rather than lords and ladies. In my spare time I like to read British crime fiction and history, particularly the U.S. Indian Wars. I currently live in Utah. I'm a former park ranger, and double Rita Award and Spur Award winner. I have five interesting children and four grands. Favorite authors include Robert Crais and Richard Woodman.
