Von Kaylea Cross : Relentless (Suspense Series Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Relentless (Suspense Series Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Gread Read!Von MsBaba4Loved the wonderful hero Rhys and the heroine Nev was stunning, too. The scene towards the end of the book between Ben and Rhys was incredibly emotional. I had to shed a few tears myself. It was so touching to see that a big bad-ass guy can cry. And Ben...first he had to comfort Rhys and then he had to make fun of his brother.

But we all know that's SO Ben. We love him anyway. In any case, he was just kidding! If you're looking for a comfort read then this book isn't for you. But this book does have such a romantic side to it you could find it kind of comforting. Rhys is a survivor and knows a lot about the tough life, but when it comes to showing his tender loving side and his emotions he is stumbling a bit. But I really rooted for him because this guy needed love and Nev was exactly the woman to give him THAT. And of course Nev got the same from Rhys. Nev and Rhys really matched. The love scenes were incredibly HOT and steamy! What a great story and I can't wait to read Kaylea's next book!

Kurzbeschreibung Former Delta Force operator Rhys Sinclair defied the odds by recovering from a traumatic brain injury that should have killed him. Given the chance to repay the beautiful doctor who saved his life by guarding hers, he can't say no--even if it means facing an unknown threat from the cunning terrorist his CIA-sanctioned team had been hunting in Afghanistan. The catch is, she can't know about it without blowing their cover. Trauma surgeon Neveah Adams is finally putting her life back together after her horrific experience in Afghanistan. Giving the keynote speech at a medical conference in Vancouver is her starting point. With Rhys there to watch over her she feels safe for the first time in months, and her biggest problem is trying to hide her intense feelings for him. But Rhys knows something Neveah doesn't. The terrorist who targeted her in Kabul is coming after her again, and he's relentless enough to ensure all his past mistakes are erased with one final strike. Now that the nightmare from her past has resurfaced, Neveah has no choice but to put her trust in the one man who has the ability to break her heart, never knowing an assassin is closer than they realize.
