**Von Meg Cabot : Remembrance: A Mediator Novel (The Mediator)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Remembrance: A Mediator Novel (The Mediator):

schwerer zu lesen ist, da er ansonsten ein sehr sturer Charakter war und die Lesung nahezu angenehm war. Er hätte sie in Band 6 beinahe zum Sterben im 19. Jahrhundert gelassen, trotz dass er sie liebt. Das ist eine echt sehr gute Reihe und keine super Fortsetzung. Schöne Story. Kann sie nur empfehlen.

**Kurzbeschreibung** Fifteen years after the release of the first Mediator novel, #1 New York Times bestselling author Meg Cabot returns with a deliciously sexy new entry to a fan-favorite series. Suze Simon, all grown up and engaged to her once-ghostly soulmate, faces a vengeful spirit and an old enemy bent on ending Suze's wedded bliss before it begins. You can take the boy out of the darkness, but you can't take the darkness out of the boy. All Susannah Simon wants is to make a good impression at her first job since graduating from college (and since becoming engaged to Dr. Jesse de Silva). But when she's hired as a guidance counselor at her alma mater, she stumbles across a decade-old murder, and soon ancient history isn't all that's coming back to haunt her. Old ghosts as well as new ones are coming out of the woodwork, some to test her, some to vex her, and it isn't only because she's a mediator, gifted with second sight. From a sophomore haunted by the murderous specter of a child, to ghosts of a very different kind including Paul Slater, Suze's ex, who shows up to make a bargain Suze is certain must have come from the Devil himself, Suze isn't sure she'll make it through the semester, let alone to her wedding night. Suze is used to striking first and asking questions later. But what happens when ghosts from her past, including one she found nearly impossible to resist, strike first? What happens when old ghosts come back to haunt you? If you're a mediator, you might have to kick a little ass.

**Pressestimmen** Meg Cabot is a fabulous author. (USA Today) entertaining, funny, and fast-paced [...] A fun and satisfying grown-up update on Suze's life. (Kirkus) Modern, witty banter abounds in the newest book in Cabot's entertaining Mediator series. Ghost Mediator Suze Simon is back and as sassy as ever! Amusing storytelling with colorfully distinctive characters of both the human and ghost varieties and an engaging plot are the highlights of this fabulous story. (RT Book) This novel stands well enough on its own, but a desire to read the whole series is irrefutable [...] Cabot's great writing, as always, is captivating from the beginning, replete with fun and mysterious personalities. Fans of the series will be rewarded for their patience to hear from these characters again. (Library Journal)
