Von J. D. Robb : Reunion in Death (In Death, Book 14) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reunion in Death (In Death, Book 14):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eve Dallas Novel No. 14Von Ein KundeReunion in DeathEve Dallas Novel No. 14First, I strongly recommend to look for

these stories in the correct order not to get confused with the subplot concerning Eve and Roarkes past and the relationships of their "sidekicks".Second, you shouldn't bothe with the Eve Dallas series at all if you aren't prepared for a lot of violence, cruelty and drastic images of all sorts of crimes (including child molestion and rape). These stories written under the name of "J.D. Robb" have absolutely NOTHING in common with the kind of novels you may know from Nora Roberts.This time a beautiful woman randomely kills innocent men - a woman, Eve has put awy as a criminal ten years ago. The real goal, of course, is to hurt Eve, and that can be accomplished best by hurting Roarle. Besides, Eve makes some horrible discoveries about her past.0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend und kurzweiligVon -KundeWie auch die anderen Bcher der Reihe ist auch dieses sehr spannend und kurzweilig. Spannendes Katze und Maus Spiel. Freue mich auf das nchste Buch

KurzbeschreibungA birthday bash sets the scene for a frightening reunion with a killer from Eve Dallass past in this novel in the #1 New York Times bestselling In Death series.At exactly 7:30 p.m., Walter Pettibone arrived home to over a hundred friends and family shouting, surprise! It was his birthday. Although he had known about the planned event for weeks, the real surprise was yet to come. At 8:45 p.m., a woman with emerald eyes and red hair handed him a glass of champagne. One sip of birthday bubbly, and he was dead.No one at the party knew who she was, but Detective Eve Dallas remembers her all too well. Eve was personally responsible for Julianna Dunne'sincarceration nearly ten years ago. And now, let out on good behavior, she still has nothing but bad intentions. It appears she wants to meet Dallas againin a reunion neither will forget...From Publishers WeeklySeasoned author Nora Roberts, writing as Robb, delivers another exhilarating entry in her popular futuristic cop series featuring Eve Dallas (Seduction in Death, etc.). Dallas, a New York police lieutenant, is a hard-bitten warrior cop who buries the pain and anger of her early childhood by excelling on the job. In her latest adventure, all the usual suspects are back: Eve's charismatic husband, Roarke; her plucky assistant, Peabody; and hipster techno-geek McNab. For this round, their objective is to take down a woman Eve arrested 10 years ago, a poisoner named Julianna Dunne. Julianna's out on parole, and now rich old men are dying sudden deaths. What's more, the ex-con wants to exact a little revenge on her one-time adversary. Eve's search for Dunne takes her all over the country, and eventually to Dallas, Tex., the city that gave her both her name and a legacy of violent nightmares. This is a satisfying, well-paced novel that offers readers a little of everything sex, death, family drama and well-orchestrated chase scenes. Although Robb's plot is tight and suspenseful, the real pleasure here comes from watching Eve struggle to maintain her distance from others, even as she finds herself tied ever more closely to her friends and family by the bonds of love. (Mar. 5)Forecast: It's a given that Roberts's books will grace the bestseller charts, but a stylish cover image depicting a ghostly, Manhattan subway entrance may attract new readers.Copyright 2002 Cahners Business Information, Inc.From BooklistRobb's style is so edgy and raw that at times it's hard to believe that she is also best-selling romancer Nora Roberts. Shortly after wealthy older men with no known enemies start being poisoned, detective Eve Dallas determines that Julianna Dunne, a wily ex-con, is the perpetrator. The beautiful but chameleonlike murderess is using the killings to get to Eve, who had put her behind bars nearly a decade earlier. Eve's pursuit takes her back to her own traumatic roots, thus providing fans of the series with a more detailed description of her horrendous childhood. In addition, Eve mentors her protege, Peabody, with gritty advice: "And when you step down there, you remember you're one bad bitch cop, and you drink blood for breakfast." Fourteenth in the futuristic romantic suspense series, this novel takes place as the lusty marriage of Eve and her husband, the fabulously wealthy Rourke, approaches the one-year mark.
