If you thought you already knew Tony, you are mistaken, it is not until after you read this instalment that you will finally get to meet and

understand the REAL Tony. This book was so enlightening, not only regarding Tony but also all the men involved in this series as we are treated to POV gems from Harry, Phil, John and Brent. The part that I always thought was missing from *Convicted* was details of Tonys incarceration and the trial of Catherine. This is covered in depth in this instalment. It is in fact Tonys incarceration chapters that are the most enlightening of all. Up until this point Tony had never read Claires memoir book that Meredith published, part of his time is seeing a therapist and the therapist makes him read them. His reaction and thought processes during this extremely difficult time are at times unsettling but they are a much needed process that he needed to go through to finally realise exactly what he put Claire through and why, it is during this process that we finally get to witness the rebirth of Anthony Rawlings, his metamorphosis was beautiful to watch. We get to see just how much power Catherine had over him, he was in fact broken himself and Catherine manipulated his weaknesses, it is finally when his eyes are opened to her depravity and the love that he is receiving from Claire that he finally sees the light. To fully understand everything that went on in the previous books you have to read this last instalment. 1 von 1 Kunden fanden die folgende Rezension hilfreich. 5 stars are not enough! Von brigova Wow! I just have to say again "WOW"! The book is more than I expected ever to be! It was an amazing surprise. I am still speechless. I want to thank Aleatha Romig for giving us finally the answer of the Epilogue of *Convicted* (I am not saying anything more, you just have to read the books). I was prepared with several possible answers but again Mrs Romig blew my mind. I never expected it. There were insights that helped me to understand more about the complex nature of Tony. And of course I fell in love again with him. I am so happy and sad! Happy because I was again part of Tony and Claire's world AND SAD because I want more and more and more of them (probably sound like a Rawlings' stalker, but who cares). I have to say "Read, people, read!"

Kurzbeschreibung Book #4 of the Consequences series: From New York Times and USA Today bestselling author Aleatha Romig comes the thrilling continuation of a powerful series about secrets and deception, passion and love, and choices and consequences. The unexpected fourth novel of the Consequences series, *REVEALED: The Missing Years* is... The captivating missing piece that continues one of the most intricate, enthralling, and suspenseful stories I've ever read. Vilmas Book Blog Readers saw what happened on that fateful afternoon at the Rawlings Estate and heard about the aftermath. This fourth novel of the series is told through the men in Claire Nichols' life and fills in the gap of time that was only previously mentioned. Like dominoes falling in a line, *REVEALED* allows readers to experience the shocking repercussions one by one, and witness their effect on everyone in the game. *REVEALED: The Missing Years* fills in more blanks than you could have imagined. - Schmexy Girl Book Blog Share the struggle as Anthony Rawlings fights for what is his as the crashing consequences of his past threaten to change his world forever. Join Harrison Baldwin as he discovers the truth that threatens his beliefs, and John Vandersol as he comes to terms with his revelations. Witness as Phillip Roach decides with whom his loyalties lie, and Brent Simmons demonstrates the meaning of friendship no matter the cost. Readers of this series survived the Consequences, learned the Truth, and know who was *Convicted*, but that is not all. Do not assume that Tony and Claire's story is complete, because beyond the conclusion of *Convicted* there is more to be *REVEALED!* "Circumstances do not make the man, they reveal him."
