**Von Lucia St. Clair Robson : Ride the Wind** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ride the Wind:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.

Superb Von Ein Kunde ' Ride the Wind ' is a superb book, whose author displays a warmth of sensitivity towards Quanah Parker's people, their rich culture, their way of life, which posterity has tended to nullify, indeed vilify. Through Lucia St. Clair Robson's remarkable prose, it was not difficult for me to feel a part of their lives. I exulted with them over their joys; I felt saddened in their times of sorrow. An excellent experience, ' Ride the Wind ' was like a breath of fresh air sweeping over the plains, bringing together the earth, man and animals into a common heritage, each drawing on the other's strengths, capitalising on each other's weaknesses. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This Book was awesome the best one i have ever read Von Mickey Thompson (Xzarianna@aol.com) I thought that this was the best Indian book that i ever picked up I just was looking for some Indian romance novel to read then i can across this one i liked what i read on the back cover so i decided to buy it and take it home..that was one of the best things i ever did..I have read the book about 4 or 5 times and i probably read it again..i have recommended to several of my friends and they have enjoyed just as much as i did...the story about Cynthia is very real..it is also a book that i couldn't put down and neither can you if you read it..right now i have to get me another copy because the last person i loaned it to does not want to give it back..when you read this book it almost like that you are there with Nauada and Shadow..the last thing i have to say is ....Buy This Book Thanks 0 von 0 Kunden fanden die folgende Rezension hilfreich. An End of an Era Von Mark Granier I found this book quite by accident going through some things in an old shed. The title and synopsis seemed worthy of a little time so I proceeded to read it. I couldn't put the book down after I started it. What a wonderful insight into a truly remarkable way of life...so different than how it is portrayed in the movies and TV (with the possible exception of "Dances With Wolves", I think). It really makes you THINK about what life must have been like in those days, not only for the settlers, but especially for the many different Native American tribes who were seeing their home...their land...and their very way of life threatened at every new dawn. Excellent read...kudos to the author!

Kurzbeschreibung In 1836, when she was nine years old, Cynthia Ann Parker was kidnapped by Comanche Indians. This is the story of how she grew up with them, mastered their ways, married one of their leaders, and became, in every way, a Comanche woman. It is also the story of a proud and innocent people whose lives pulsed with the very heartbeat of the land. It is the story of a way of life that is gone forever....From the Paperback edition. Autorenkommentar Thanks I just wanted to thank those who took the time to comment on RIDE THE WIND. Writing is a solitary occupation. Hearing from others is a pleasure. Hearing from those who didn't like some of my other books is an education.
