nur empfehlen, wer gerne englische Bücher liest und es mag wenn starke Männer ihre Schwächen zeigen, der ist genau richtig! Sex, distere Vergangenheit, sture Brüder u aber ein herrlicher Familienzusammenhalt! Echt Klasse zu lesen! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Fantastic sequel, not quite as good as Sea Swept, but close. Von Ein Kunde I bought this book as soon as it was released in paperback and read it in one sitting. Although not quite as good as the first book in this trilogy, Sea Swept, this book continues the development of the characters and the story wonderfully well and leaves you impatiently waiting for more. I bought Sea Swept on the strength of the other reader reviews on .com. I'd never heard of Nora Roberts and had no idea what type of fiction she normally writes. Only after I'd finished Sea Swept did I discover that Nora Roberts is a romantic fiction writer. I am a man and had I known Nora Roberts writes romantic novels I would NEVER ever have bought Sea Swept. When I realized I'd just read (and thoroughly enjoyed) a book that I would normally have dismissed as romantic drivel, akin to a Mills Boon, or a Barbara Cartland novel, I had a minor panic attack!! I started to question my masculinity, my intelligence, my taste. I seriously considered suicide! But then, I realized, that these books are very well written. I was compelled and intrigued from the beginning to the end of both books and the strength and development of the characters is superb. I found myself truly caring about what happens to these people, felt involved in their feelings and desperate to know what happens next. I am hooked and am now waiting impatiently for the final installment in this story. I've even recommended these books to some of my friends publicly declaring that I enjoyed a romantic novel and risking humiliation - so they must be good!!! 1 von 1 Kunden fanden die folgende Rezension hilfreich. How can you not love these characters?! Von Ein Kunde "Rising Tides" is a wonderful book. I loved the first in this series. I was deeply moved by this one. The relationship between the Quinn family continues to fascinate me. And Ethan is a far more compelling hero than his older brother. Ms. Roberts has a particularly fine hand with the inner struggles of a wounded soul. Where I felt that the romance was more of a side note in "Sea Swept," in this book, the tortured road to real love was a true revelation. Grace is a strong enough character in her own right that she seems to belong in this picture. Can hardly wait to see what Phillip Quinn gets himself into.

Kurzbeschreibung The second novel in #1 New York Times bestselling author Nora Roberts' stunning Chesapeake Bay Saga, where the Quinn brothers must return to their family home on the Maryland shore, to honor their father's last request... Ethan Quinn is a waterman. He wasn't born to the tradition but has embraced it. He's a quiet man whose heart runs as deep as the waters he loves. And now, with his father gone, Ethan is determined to make the family boatbuilding business a success. But amidst his achievements lie the most important challenges of his life. There's a young boy who needs him, and a woman and child he loves but never believed he could have. To shape his life around them, Ethan must face his own dark past and accept not only who he is but what he hopes to become. Don't miss the other books in the Chesapeake Bay Saga: Sea Swept, Inner Harbor, Chesapeake Blue. From the Trade Paperback edition. Set on the windswept shores of the Chesapeake Bay, Nora Roberts's Rising Tides, the second book in the Quinn Brothers trilogy, continues the story of the lives and loves of adopted brothers Ethan, Cameron, and Philip Quinn. Eager to honor their father's dying wish that their other brother, Seth, be cared for, the three settle into life with a 10-year-old. Of all the brothers, it is Ethan who finds himself drawn to the young boy, because both suffered horrific abuse before being adopted by the Quinns. Time hasn't extinguished Ethan's pain, only buried it deep within his heart, a fact that may keep him from the only woman he has ever loved. A moving contemporary with universal appeal, Rising Tides is Nora Roberts at her best.
