KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Unterhaltsam + sexyVon SilviaIn Teil 2 der Rough Riders-Geschichten geht es um Gemma und Cash, deren Lovestory sich schon in Teil 1 abzeichnete. Gemma war jedoch noch nicht bereit, den Avancen des deutlichen jngeren Cash nachzugeben. Zum Inhalt muss ich nicht viel sagen, wer die Rough Riders kennt, wei, worauf er sich einlsst ;-) Mir

persnlich hat an all den Verwicklungen und amoursen Spielchen am besten gefallen, dass es sich bei Gemma um eine Frau Ende 40 handelt - ich bin nicht wesentlich jnger als sie und somit konnte ich mich natrlich auch recht leicht in sie hineinversetzen mit all ihren Selbstzweifeln und Problemen, die sie hat, weil sie sich in den jngeren Cash verliebt. Irrungen und Wirrungen gibt es eben nicht nur mit Mitte 20...Ich fand es auch rhrend, wie sich Cash und seine Tochter anghert haben und am Schluss tatschlich zu einer kleinen Familie wurden - allerdings konnte ich Carter McKay nicht ausstehen und habe es ihm von Herzen gegnnt, dass Cash ihn ordentlich verdroschen hat. Wegen ihm gibts auch einen Punkt Abzug. Aber das ist natrlich subjektiv, denn ein schmollender Knstler hat es in meinen Augen schwer, neben der coolen Rothaut Cash zu bestehen :-))

Kurzbeschreibung
Workin up a hot, sticky sweat is pure pleasure with a hard-ridin cowboy. Widowed, struggling stock contractor Gemma Jansen swallows her pride and tracks down former bull rider Cash Big Crow to offer him a job managing her ranch. Cash agrees on one condition: it wont be a strictly working relationship. Shes the boss during the day, but once shes corralled in the bedroom, Cash calls the shots. Meanwhile, Carter McKay is spending his summer at the Bar 9 Ranch preparing for an art show. But hes definitely not prepared for the immediate visceral connection he feels to Cashs sexy and sassy daughter Macie Honeycutt. Lust flares between them and Macie proves shes up for any dirty fun and games that sweet and wild Carter dreams up. Gemma struggles with her feelings for Cash except this time, Cash has grabbed the bull by the horns. He has to convince Gemma hes playing for keeps. The more time Macie spends with Carter the harder she falls for him. But will the brooding artist understand that trust is just as important as love? Its going to be a long, hot summer in Wyoming. Warning: this book contains explicit sex nine ways til Sunday, inventive rope play, graphic language, mnage a trois, and all sorts of fun and kinky cowboy stuff. *previously released from Samhain Publishing in 2007 as Rode Hard, Put Up Wet
Pressestimmen
"This continuation of the Rough Riders not only gives readers the wild, sexy ride the title suggests, it delves into the emotions and motivations of both couples. Secondary characters complement the action of intertwining plots that consistently entertain... Definitely a keeper." --RT Books Magazine
"Lorelei James definitely has a talent for telling hot cowboy stories that will have readers longing for one of their very own... the sex is hot, but it's the emotional context that ensures it's a story you'll remember." --Romance Junkies
"This book was like having two romances in one. The dialogue was excellent... you could easily visualize the scenes and the transitions from Gemma/Cash to Carter/Macie, didn't distract from the super hot sexy romance between the couples." --The Romance Studio
"Rode Hard is a multi-generational Western saga that I found highly enjoyable. Ms. James intricately weaves all four characters into one cohesive story... plenty of steamy love scenes that will have you reaching for your own hottie! I hope that Ms. James will return to this setting, giving us more of the McKay family's stories in the future." --Just Erotic Romance
"Rode Hard is a well written and plotted gem of a read that easily handles two emotionally and physically intense relationships at the same time, artfully weaving them into a cohesive story that I found myself racing to finish... The story is fast paced, and filled with witty, sexy dialogue and realistic situations." --Literary Nymphs
"A great cowboy treat as well as being a hot story... For all who want two stories in one, I would recommend this book highly." --Fallen Angels
