But if you have started to love the characters you'll be happy to catch a glimpse of their life as they progress. It is like talking to a friend catching up on everyday things. The characters are very likeable, the plot is simple, nothing overly dramatic, it's just like life going on. A nice read to catch up on dear book characters. The language is very enjoyable, the bedroom scenes still retain a certain modesty which I find endearing. In contrast to book 1 and 2 it lacks the suspense of dramatic development. Here our characters have already found their place in life and simply go on with it. 4 points instead of 5 for the slight decline in suspense compared to the previous books. But the rest is just as good as the first two books , hence the 4 stars. The charcters are lovingly created and I really enjoy meeting them again in this 3rd book. It`s a book you can read before going to bed that will give you happy dreams.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sweetest Love Story Ever!Von Tea PSo sweet! So very romantic. Can I please get me some Brody? Please! Really, he is the epitome of a dream man. And for Kacie all dreams came true. And still, Brody surprised her again and again. He was overwhelmingly sweet. And the twinkies had me in tears, because they became even more adorable. Everything in this little book was sweet, sweet, sweet. But never cheap or cheesy. Never too much. Even though Brody topped it again and again. I wish he was real.If you are a romance lover, you have to read this series. I cannot recommend it enough. It's awesome, gorgeous and absolutely lovely!
