In reality I only now her books since the beginning of 2014 now and I am so grateful for her stories. "Roomies" had me completely captured in its "claws"^^ Normally I could name a few parts of a story that stood out to me but with "Roomies" I just couldn't decide. It is such a GREAT book! Graham and Kennedy are two very beautiful souls who got me crying out of joy and

sadness. If you haven't read it yet you should change that fact. If you're looking for a witty story with sarcastic dialogues - you've found your match. Go buy it!!!! #zartanians #forever0 von 0 Kunden fanden die folgende Rezension hilfreich. Roomies...oh I wish I had such a sexy roomie ;) Von Mic This book was sweet ! I loved reading this story, about two characters which are just too stupid (in a lovely sweet way) to figure out that they love each other. And the way until they figure everything out is just great. Throw in a little bit spice in form of an hot, attractive brother and you'll get exactly the kind of story which will lighten up your day. I give it 4 Stars, because one thing bothered me a bit...it was the fact that Kennedy just at a few points really wavered about her feelings. But the tension makes it up really nicely ! Good job ! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Teenie Liebesgeschichte Von xxxclaudia Wer auf Teenie Liebesgeschichten steht, kommt voll auf seine Kosten! Coole Typen, hbsche Mdchen, komplizierte Situationen...mir hat es gefallen. Empfehlung!

Kurzbeschreibung***USA Today Bestseller***Graham Malone is my roommate, my personal eye candy, the reason I get up in the morning smiling (that could be from the illicit dreams I have about him too, I suppose. Let's move on.). He's also beautiful to look at, but his heart is where his true beauty lies. Take away the exterior and the interior still shines. I love him. I mean, I'm pretty sure I do, having never been in love before. Anyway, it seems legit. And now his brother Blake is here, and, well, he's the complete opposite of Graham. Sarcastic, brooding, and totally available. But he's leaving soon, and Graham's the one I want. I shouldn't have to remind myself of this, right? I wouldn't have to if Blake would quit looking at me like I'm something yummy and he's starving. Here's a toast to roomies; the ones you should never fall in love with. Or something.
