Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. ganz in Ordnung Von Moppy die Story ist nicht uninteressant und fliegt auch schnell vorbei, aber die Konflikte mit der Mutter sind fr mich nicht ganz nachvollziehbar. Auch ist fr mich die Freundschaft zu Sami eher oberflächlich und nicht ehrlich. Bradys "Clinton"...naja, beim ersten Mal war es lustig danach eher lcherlich. Alles in allem ist es ein Buch, dass man lesen kann, wenn man NA-Romance mag, aber einen bleibenden Eindruck hinterlsst es nicht. 0 von 0

In dem Buch geht es um zwei Menschen die unterschiedlicher nicht sein könnten, aber sich trotzdem auf eine Weise verstehen die vielen vorbehalten ist. Ich gehe davon aus, dass es ein weiteres Buch mit Sami als Protagonistin geben wird. Ich mochte Sami und ich mochte alle von Nats Freunden, die reich waren, aber sie als eine von ihnen behandelt haben. Wie Sami sagte: Sie ist eine von uns, sie hat da keine Wahl. Lieblingszitat: His type is Girl. And maybe even that's flexible. Ich empfehle das Buch auf jeden Fall weiter. Wer Sportlerromane mag ist hier genau richtig. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Easy read Von Customer This book was an easy read. Nice love story, funny a bit, but very, very predictable...it is not really different from other books. And the ending was very short and looked like the author got bored and just wanted to end the book.

Kurzbeschreibung Life is full of expectations. For Brady Coldwell it's always been about the game. Hockey is and always will be, his life. His family sacrificed everything to get him here and he won't let them down. He knows what's expected of him. Natalie Banks is no different. She too knows what it means to have everyone sacrifice for you. She knows about the debt that's left owing in the end and the price you pay for making up your own mind. But when an innocent mistake lands them as roommates, neither of them is prepared for the feelings they have or the consequences of their actions. How do you negotiate matters of the heart? How do you say no when it simply feels so right? Roommates, an unlikely romance! Kurzbeschreibung Life is full of expectations. For Brady Coldwell it's always been about the game. How do you say no when it simply feels so right? Roommates, an unlikely romance! über den Autor und weitere Mitwirkende There is a romantic, safe side to the dark mind of international bestselling author Tara Brown. This side is a hot fudge sundae and warm blanket on movie night sort of girl. She likes horses and thinks she should have some, but hates the smell of horse poo. In fact, she imagines having a small farm would be a lot of work. She likes gentlemen and courtesy and old traditions. She likes to see characters grow and become something worthy of the person they love. She wants to be a writer like Jane Austen and Henry James. This side of her wants to write pretty prose and lure you down the path covered in rose petals. But she can't. Because at the end of the path is Tara Brown, who doesn't like rose petals or easy love. Down that path the wind picks up and the petals blow away and the forest gets eerie. As a result, this is not ever going to be your grandma's romance. It's the best Tara Brown could do with what she has, a dark heart.
