Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. HOT-FREAKING-AMAZING-TAKE-ME-INTO-THE-WOODS 5++++ stars! Von Cassandra Tessa Bailey strikes again! And she's not afraid to take it a little darker and edgier, so please read the warning to know what you get

yourself into! But let me tell you right from the start, Tessa Bailey did an amazing job with that! This is between two consenting adults! And it's freaking hot! Lita being the bratty, acting out drummer that only seems to want James attention and to cause trouble and provoke him. But what no one knows is that these two have a history...and Lita has a plan. She wants the man back she once met. And she wants everything of him, even his darkest, animalistic side. James tries his best to ignore Lita's attempt to wake the beast again. His shame and guilt over that one night still linger and eat him. Having seen her at her most vulnerable, he doesn't want to hurt her again. And also, how can he with that history of his. But in his noble way to protect her, he hurts her the most and in his guilt clouded vision doesn't see the woman she really is. A trip across the country, a family emergency, and secrets and a past kept hidden finally revealed make this story of older James and younger Lita so much more interesting. They both ignite a burning fire in each other that only they can keep alive...if James finally comes to terms with his dark desires and Lita finally takes her life in her hands. Tessa Bailey sets your kindle on fire, wets your panties and melts your heart! Once again her writing draws you right in and has you attached to the characters and their story. I love her strong and independent heroines, as much as her alpha vulnerable males. Amazing!

Kurzbeschreibung God help the woman I take home tonight. Band manager James Brandon never expected to find the elusive satisfaction he'd been chasing, let alone stumble upon it in some sleazy Hollywood meat market. Yet the girl's quiet pride spoke to him from across the bar, louder than a shout. Troubled, hungry and homeless, she'd placed her trust in him. But after losing the grip on his dark desires that one fateful night, James has spent the last four years atoning for letting her down. This time it'll finally crack him. Rock band drummer Lita Regina has had enough of James's guilt. She wants the explosive man she met that night in Hollywood. The man who held nothing back and took no prisoners save Lita. And she'll stop at nothing to revive him. Even if it means throwing herself into peril at every turn, just to get a reaction from her stoic manager. But when Lita takes her quest one step too far, James disappears from her life, thinking his absence will keep her safe. Now it's up to Lita to bring James back and ignite an inferno of passion in the process. Reader Advisory: ROUGH RHYTHM contains fantasies of nonconsensual sex, acted upon by consenting characters. Readers with sensitivity to portrayals of nonconsensual sex should be advised.
