GilIch hatte hohe Erwartungen an Royal, die sich leider nicht erfüllt haben. Die Story war nett, aber vorhersehbar, absolut nichts neues... Ich mochte die beiden Protas, habe aber von Anfang an die Story

im Schnelldurchlauf mehr oder weniger berfliegen, da wirklich nichts neues und spannendes passiert ist. 0 von 0 Kunden fanden die folgende Rezension hilfreich. such a great story Von missmorelli First: Royal = stupid name :-(..... but the book is FANTASTIC !!!! I was hooked after the first sentences! The book was an emotional ride for me! Oh I loved it! Demi is such a sweet and loyal girl and Royal, oh poor boy..... My heart was bleeding, I suffered with the young boy and all the tragic things in his life...He has such a pure soul. I was very disappointed about Demis family. They said they loved Royal like a son, and Derek was his best friend! They were stupid, cold and heartless. They gave up on him so easy!!! Didn't they know him better? But I love drama and heartache :-) and this book has a lot of it.

Kurzbeschreibung Wall Street Journal bestseller! His name is Royal, but hes no prince charming. Hes not even a prince - though you could say I loved him once upon a time. He was my older brothers best friend. Growing up, he sat at our dinner table every Sunday, teased me mercilessly, and pretended I annoyed him. When I was old enough, he took me on my first date. Royal taught me how to drive. Escorted me to my junior prom. Gave me my first kiss amongst other things. He was my first taste of toe-curling, all-consuming, cant-sleep love. We had our whole lives ahead of us. There was never anyone else for me but him. And then he disappeared. No letter. No explanation. Not even a goodbye. My sisters and brother never forgave him, and my parents forbade me from speaking his name in our house ever again. For all intents and purposes, we were to pretend Royal Lockhart never existed. Ive spent the last seven years trying in vain to forget my first love, but just when I think Ive finally moved on, guess whos back in town? AUTHOR'S NOTE: This is a full-length, stand alone, older brother's best friend/unrequited love romance with a happily ever after and no cliffhanger. Enjoy! xoxo
