**Von Jill Mansell : Rumour Has It (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rumour Has It (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Clearly more comedy than romance!Von Steffi A.This was my first book by Jill Mansell. It was absolute fun but unfortunately it lacked romance...I'm a huge fan of authors like Rachel Gibson, Judith McNaught or Susan Elizabeth Phillips and was hoping Jill Mansell would write books similar to them.Unfortunately that was not the case.First of all, I don't like

it when three or four stories are told in one book. In this book it was Tilly's and Jack's story - drawn to each other yet afraid to give in to their feelings. Five years ago, Jack lost his true love Rose only days before their wedding. Ever since that moment he's afraid to let anyone get really close to him. Rumour has it, that he has dated and slept with almost every woman in Roxborough, but never are there any feelings involved. So naturally, everything that's said about Jack scares Tilly off but still, temptation is hard to overcome and Jack is definitely tempting.... Then there is Erin's story - Tilly's best friend. Erin is in love with Fergus but their relationship is anything but easy. Fergus left his wife Stella six months ago but Stella doesn't want to accept that. So when she finds out about Erin and Fergus she's set on destroying their new found happiness. But then Stella finds out that she has cancer and strangely enough it is Erin who's helping her through the last days of her life.... It is also the story about Max Dineen - the man Tilly is working for - and his daughter Lou. And about Kaye - Max' ex-wife. Though every single character in this book is great in its own way I think there are simply too many people involved. You have no chance to really get to know them all... Sad was also, that Mansell never told the story from Jack's point of view. I love it so much to read about the hero's thoughts and feelings... 3.5 STARS! All things considered it was a nice, funny read that kept me entertained. It was not however, a love story that makes your heart melt. Mansell didn't dwell on thoughts or feelings. The story is fast and funny without real emotion. No hot love scenes there either... Mansell skipped the parts when "IT" finally happened.

**Kurzbeschreibung** In RUMOUR HAS IT by bestselling author Jill Mansell, Tilly's not looking for love, but love certainly has its eye on her! Perfect for readers of Milly Johnson and Lucy Diamond. When newly single Tilly Cole impulsively quits her London job for a fresh start in the small town of Roxborough she finds she's arrived in a hotbed of gossip, intrigue and rampant rivalry for the most desirable men. Tilly has no intention of joining in - she's just happy with her new Girl Friday job. Then she meets Jack Lucas. Jack is irresistible... and he's got his eye on Tilly. But there are shocking rumours about his wicked reputation. Tilly doesn't want to be just another notch on anyone's bedpost. But is she being mature and sensible - or is she running away from the love of her life? **Pressestimmen** 'The characters are so funny and the sub-plots are written with such a light touch' -- Telegraph 'Mansell's endearing tale describes a situation all too familiar to us girls and will have you rooting for Tilly from the start. You won't put it down until you know her fate' -- Heat magazine 'Another slice of superior chick-lit' -- Closer 'Chick-lit at its best and so well written' -- Daily Mail 'As frothy and moreish as a summer cocktail, give Rumour Has It a try, your beach bag will be empty without it' -- Heat magazine **Pressestimmen** 'The characters are so funny and the sub-plots are written with such a light touch' -- Telegraph 'Mansell's endearing tale describes a situation all too familiar to us girls and will have you rooting for Tilly from the start.
