Von Rachel Gibson : Run To You (Military Men) before purchasing it in order to gage whether or not it would be

worth my time, and all praised Run To You (Military Men):

Kurzbeschreibung Rachel Gibson, New York Times bestselling author of *Rescue Me*, returns to Texas with a tale of what happens when a tough guy meets his match and falls harder than a ton of red-hot bricks . . . There's nothing like fleeing Miami to ruin a girl's day. Stella Leon's bartending gig was going fine until gorgeous ex-Marine Beau Junger decked her mob-connected boss, spirited her out of the city, and claimed that Stella's half-sister—the one with the perfect life—sent him. Now Stella has no choice but to go along for the ride . . . and seduce Beau's military-issue socks off . . . The Marine Corps was Beau's escape from his old man's legacy of naval heroism and serial philandering, but no amount of training could prepare him for the day he looked in the mirror and saw his father staring back. The answer: swear off meaningless sex. Oh, and find a way to make Stella Leon quit being so damn hot . . . **Pressestimmen** This lovely romance will charm your socks off [...] a light touch of humor and just enough conflict to make the story interesting while not distracting from the main theme. A real treat. -RT Books, 4 Stars, Top Pick! (October Issue) (RT Books, 4 Stars, Top Pick!) **Werbetext** Sizzling hot contemporary romance from the New York Times bestselling author
