besitzt in Las Vegas ein sehr erfolgreiches Casino und interessiert sich besonders für Gold. Risa wiederum ist eine anerkannte Expertin für antike Goldstücke. Zwischen Risa und Shane hat es von Anfang an geknistert, aber der erfolgreiche Geschäftsmann hat eine einfache Regel: Er fängt grundsätzlich nichts mit seinen Angestellten an, daher sprhen zwar die Funken wenn die beiden aufeinander treffen, mehr passiert jedoch nicht. Pltzlich erhlt Risa eine Nachricht von einer alten Freundin. Zur selben Zeit werden Shane pltzlich keltische Gold-Schmuckstcke angeboten, die offensichtlich gestohlen sind. Risa wei, das Shane dem Kauf der wertvollen Stcke nicht widerstehen kann, aber bald darauf wird Risas Leben bedroht und berall in Las Vegas werden Leute umgebracht, die mit den Schmuckstcken in Berhrung kamen.Risa und Shane versuchen herauszufinden, was vor sich geht. Pltzlich erfahren sie, das es noch viel mehr Schmuckstcke gibt ... wird sich Shane ruinieren wenn er versucht alle diese Teile in seinen Besitz zu bringen?"Running Scared" bietet den gewohnten Elizabeth Lowell Lesemix. Jede Menge fachmnnische Erklungen ber Gold, ein ungewöhnlicher Held und eine wagemutige Heldin zusammen in einer spannenden Story. Kurz gesagt, alles was sich der Leser wnscht, jedoch nichts auergewöhnliches.

But though she shares Shane's enthusiasm, Risa is warybecause something about this particular artifact is mysterious and troubling, something that says "stay away." It is a voice that should be heeded, because soon people are dying all around them.
