KurzbeschreibungAncelet Bay, Louisiana, on the surface is a peaceful and quiet little town. It seemed to be the perfect place for workaholic Rusty Martinez to detox and deal with destructive habits that had affected her health. The respite, however, comes with some unexpected side effects, one of which is a plastic flamingo-wielding neighbor who suspects Rusty is a terrorist. Rustys mental and emotional transformation becomes a wild ride. Police Chief Kirsten Flyte doesnt even realize that shes on the journey with Rusty as they leave lifes back roads and hop onto the cerebral expressway that takes them through chaos, temporary insanity, and eventually bliss. Come to Ancelet Bay with Robin Alexander, and let her tell you a tale about personal discovery, life, and love in her typical comedic fashion. Watch out for the flamingos.
