Casey is a really talented author, but Ryder was the weakest book in her Slater borthers series till now. I couldn't really connect with the couple like I could with the other ones. I knew it would be not as hot as the other books, because in the last novella it got clear that the two of them had major problems. I was waiting really long till Ryder finally came cleana bout what he did and why and I never

understood why he did it at first. I mean, I don't want to spoiler but this was just ridiculous. Also I couldn't understand what Phil did to Branna. It made zero sense. And then finally Branna giving in to Ryder... That happened just like from one second to the other they were happy again and everything is alright. That was just too easy. Sorry L.A. Casey... But I am definitely going to buy the rest of the series, because I think it will get an awesome end :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Love it!!! Von Iri.fierce I loved it!!! L.A. Casey never disappoints me:) this book was full of tragedy, passion, love, rebound, humour and simply awesome. I couldn't put my kindle aside because I wanted Branna to have a happy ending so badly. I feel like I lived a whole life since I started reading it. I understood her so well that I was going from crying to laughing and some more crying throughout my read. As always great jokes, big feelings and action, L.A. Casey, you go girl!! I feckin loved it and can't wait for your next book!!!

Kurzbeschreibung* Book #4 in the Slater Brothers series* Branna Murphy is broken. For months now she has been a part of a one-sided relationship to a man she loves more than life itself. She prayed for a miracle, and hoped something would change, but found that was wishful thinking. Talking didn't work. Shouting didn't work. Crying didn't work. Nothing bloody worked. Ryder Slater is furious. For months now he has been lying to a woman he would take a bullet for in order to protect her. He is involved in something that goes deeper than his old past, and if he strays off target, people will start to die. People he loves. He couldn't talk. He couldn't slip up. He couldn't lose focus. He couldn't do a damn thing. Things between Ryder and Branna are at rock bottom, and Ryder knows it. Not only will he be taking on a force that could destroy his whole family, but he will be battling tooth and nail to save his relationship and keep the love of his life by his side. Ryder targeted Branna from the first moment he saw her, and what Ryder targets, Ryder dominates. Kurzbeschreibung* Book #4 in the Slater Brothers series* Branna Murphy is broken.
