Kurzbeschreibung Keeping others safe is what Caleb Montgomery does. Hes never had a problem taking on an assignment, whether it was during his dangerous SEAL days or his most recent job of training war mercenaries. But being assigned to keep Brynna Vincent and her adorable daughters, Maddie and Josie, safe from an unknown threat has thrown Caleb off his axis. Hot for the tall brunette since she came back to town more than a year ago, being close to her day in and day out is cracking Calebs resolve to keep his hands off her gorgeous body and his head in the mission. Brynna is sick and tired of being afraid. All she wants is a normal, quiet life for her and her precious girls. Just as shes settling into her new home in Seattle and feeling safe again, Caleb shows up on her doorstep insisting the danger is as high as ever. But whether she needs to be sheltered from the threat in her past, or from the intense emotions she feels for the sexy, protective man sleeping in her home, remains to be seen. What will happen if Brynna and her girls fall in love with a man so broken he may not be able to protect them from the danger that threatens, much less himself? SAFE WITH ME is the fifth book in the With Me In Seattle series, and continues to follow this tight-knit, loving family through lifes trials and tribulations with humor, passion and everlasting love.
