Von AJ Rose : Safeword (Power Exchange Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Safeword (Power Exchange Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful descrived BDSM Love Story! Part 2Von vpobiLOVE IT!The second part of the power exchange series is all what i wanted to read. Here's all included, feelings, love, excitement, emotions, drama, suffering and many

beautiful moments. It is a constant up and down of emotions, but very well written. Ben as an endless protector of himself it almost breaks, heartbreaking. Gavin's transformation from a total submissive, the submissive, who also can freak and presents his opinion. The murder cases were in this book somehow the way, and yet what concerns the relationship between Ben and Gavin, very significant. Terrible was when the house burned down and it was thought previously that they had survived everything, and then the collapse of Ben. Cardiac arrest. But it all went good. But I would still like to read a scene between Ben and Gavin in the epilogue, and they are back Dom and sub. Still, I was sad that it was over! 2 von 2 Kunden fanden die folgende Rezension hilfreich. Wonderful, multilayered characters, breathtaking mystery--and HOT! Von Feliz The romance part of the novel was flawless. The development of Ben's and Gavin's relationship, the obstacles they had to overcome, the way they dealt with them--everything was firmly rooted in their characterizations, their backstories, their very personalities. The crime plot on the other hand was a little bit less than perfect; some too-obvious things that the protagonists should've seen but almost deliberately ignored. One instant that I had to reread a scene and still didn't see the connection. Still, the case was even better crafted than in the first book. The crime scenes, the scene backgrounds, the surroundings were vivid and well-drawn without exception (a warning: some of those scenes are really gruesome and even though not drawn-out in every gory detail still not for the faint at heart) Gavin and Ben were so well-drawn and so consistent in anything they said, did, and (in Gavin's case since he's the first person POV narrator) thought--I could hear them, almost see them, and as tacky as this sounds, feel them in my heart. Also admirable: the villain, how he was so hopeless and broken beyond repair. Same goes for the other supportive characters. Not one of them was shallow, and only one scratched at cliché from afar. Wonderfully done. The writing was smooth, seemingly effortless and interspersed with bits of prose so beautiful I deliberately stopped to reread it. Gripping, compelling action scenes and the abovementioned great characterizations made this book a wonderful reading experience and a joy to read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. So far for this year my favorite Sub/Dom book. Von Sunne I have the feeling that I should write a milelong review, just because that book is so good. I can't....I'm still flowing in my personal "readers-subspace"...or something like that. Let's try it this way, I separate crime and love story. Crime: This time it is a well built up crime, complicated, sure a bit obvious, too, but Gavin is on it, and doesn't make stupid mistakes. The hints, that enables us reader to have a suspicion a bit earlier than him are so subtle that only the fact that as a reader we aren't bombarded with the same amount of information as he is, makes it possible for us to see it. Additionally it isn't a black and white crime, at least if you as a reader aren't a black and white person. Well done. Love story: A.J. Rose broke my heart twice. "Thunder" will never be the same word for me. Gavin had more backlash from their torment (last book, Power Exchange) than we got to see at the end of Power Exchange. Their dynamics have changed, he is no longer able to submit even when he wants and Ben is careful and in denial himself. Oh...a masterpiece of emotional mess to work out. And I loved the creativity with which A.J. Rose made them find their way back to each other. This was Sub/Dom on a whole new level and I loved it. So far for this year my favorite Sub/Dom book.

Kurzbeschreibung Everywhere Detective Gavin DeGrassi looks he's reminded of his attack by the Breath Play Killer. It's in the house he lives in with his partner and Dom, Ben Haverson. It's in the sympathetic yet pitying looks he receives from his fellow detectives when he returns to the force after a year-long hiatus. It's in the suffocating coddling of his entire family, and the relentless reporter demanding an exclusive of his ordeal. Most of all, it's in his lack of submission to Ben, who isn't convinced Gavin's recovered enough to trust the power exchange between them. The miraculous recovery of two teen boys from a twisted kidnapper gives him heart, and Gavin's determined to prove he can handle anything despite increasing strain between him and Ben, painful nightmares, and panic when anyone touches him. But his next case is too close for comfort: a friend and colleague found raped and murdered in a fate chillingly similar to what could have been his own, and this killer isn't stopping with one cop. As the body count rises and taunting souvenirs are being hand-delivered to Gavin, he faces a frustrating lack of leads, a crushing need to prove himself, and a sinking suspicion the imprisoned kidnappers reach is further than originally thought. A miasma of uncertainty and fear threaten to suffocate him when he asks a question with which he's overwhelmingly familiar: what happens when a victim is pushed too far?
