Von I. Beacham : Sanctuary (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sanctuary (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Well ...Von nschaI don't really understand the great praise (which was a reason I bought it). I've read many books that are way better. The two main characters, well, develop and change during the story, but not in a good way. Cate does

something that makes Dita really angry. In my opinion it doesn't justify Dita's strange behavior all the way (and definitely not the kind of 'rape' she commits and how she treats her afterwards). You can't really feel the love they have for each other, it's all anger and frustration and refusal. Don't bother buying it if you want a nice little romance, it's a lot of blah blah (verbose and dawdling along)

1 von 2 Kunden fanden die folgende Rezension hilfreich. One of the best

Von osteobirgit This is one of the best books of Lesbian Fiction I've ever read. I read it twice and I think I'll read it once more. I was captured by the story immediately from page one on. This is a story with depth. The main-characters were described so vividly, the feelings of them tangible. I was drawn by the emotions the main-characters felt. In the first two chapters the story actually starts in the middle of the actual tale, so my curiousness has been awakened. From chapter three on the story then goes back few years in the past. It shows both characters have issues from their childhood which they carry in their present and even future which affect their behavior in the relationship to each other. There are some dramatic scenes and emotions like bitterness, anger, rage, sadness, anxiety, insecurity, desire and - of course - love. And as I said before they are described pretty vividly. I won't tell anything about the contents of the story, because I think it would spoil the pleasure of reading. I really like the style of writing of this author and since this is her first book I keep hoping there will be more of her in the future. I could become a fan. I recommend this book to all those readers who like stories with depth.

Von high art Cate Canton has only one goal: to crush her professional rival, Dita Newton, and reclaim the future unjustly stolen from her. The only obstacle is her attraction to the woman she has vowed to destroy. Young Cate Canton dreams of becoming a designer and running Seraphim, the Boston fashion house her late mother started. Born into a loving family, and with everything to live for, she loses all when she is wrongly accused of a crime. In the aftermath of tragedy and betrayal, Cate vows to reclaim her destiny. Fueled by revenge, she becomes a ruthless business woman who builds her own successful fashion empire, plotting to one day take over her mother's business by any means necessary. But one person stands in her way--Dita Newton, the beautiful, gifted designer who now runs Seraphim. Cate will need to crush her lifelong adversary to succeed, but Dita strikes back in the most unexpected way--by stirring Cate's fragile, hidden heart. A contemporary high-stakes drama between two driven, passionate women.

-----This book has it all, attraction, style, heart, revenge, drama, love and hate. I enjoyed every page. Especially liked the unusual way the author decided to let this story reveal in front of our eyes....we start in the now, go back way into the past, stop in what was the future when we were in the now...confused? No worries, you'll see. the story is great.

Kurzbeschreibung Cate Canton has only one goal: to crush her professional rival, Dita Newton, and reclaim the future unjustly stolen from her. The only obstacle is her attraction to the woman she has vowed to destroy. Young Cate Canton dreams of becoming a designer and running Seraphim, the Boston fashion house her late mother started. Born into a loving family, and with everything to live for, she loses it all when misfortune and tragedy strike. In the aftermath of betrayal, Cate vows to reclaim her destiny. Fueled by revenge, she becomes a ruthless businesswoman with her own successful fashion empire, plotting to one day take over her mothers business by any means necessary. But one person stands in her way Dita Newton, the beautiful, gifted designer who now runs Seraphim. Cate will need to crush her lifelong adversary to succeed, but Dita strikes back in the most unexpected way by stirring Cates fragile, hidden heart. A contemporary high-stakes drama between two driven, passionate women.
