Von CoffeeAndBooksDieses Buch wurde mir von NetGalley als ADVANCE REVIEW COPY zur Verfügung gestellt This book (ADVANCE REVIEW COPY) was provided by NetGalley for review purposes. Wie sagt man so schn auf Englisch? This was an emotional rollercoaster ride! Das sechste Buch aus der Titan Serie von Cristin Harber ist kein leicht zu lesendes Buch, aber eine gute Addition zu den vorherigen

Bchern.REALITTSHECKDass die Titan Gruppe so frei agieren kann und ber Kontinente hinweg einen Terroristen hinterherjagt (Granaten, Hubschrauber Gewehre inklusive) mutet erst mal komisch an, ich knnte mir nicht vorstellen, dass das wirklich mglich wre - oder wenn ja, dann hab ich das aus Naivitt nicht mitbekommen ;) Die weiteren Geschehnisse, Rocco's Vergiftung, seine Probleme und die Beziehung zu Caterina finde ich super beschrieben, schn zu lesen, dass Rocco in Band 6 der Serie endlich seine bessere Hlfte findet. Zu der besseren Hlfte: was Caterina durchgemacht hat UND weiter durchmacht, hat mich ab der Hlfte des Buches beinahe mit dem Lesen aufhren lassen. Wie Rocco damit umgegangen ist, finde ich wunderbar - wie Cat sich allerdings verhlft, ist mir ein Rtsel. Ich finde, dass ihr Leid viel zu schnell abgearbeitet wurde (oder Cat ist einfach eine starke Frau, wer wei, wie man sich in so einer Lage wirklich verhalten wrde!) und dass ihr Verhalten fr eine trainierte Soldaten wie sie es ist einfach zu irrational war (siehe Flucht aus dem Krankenhaus).SPRACHEWenn man direkt Band 1 Winters Heat mit Savage Secrets miteinander vergleicht, flft sofort auf, dass Cristin Harber sich wahnsinnig verbessert und gesteigert hat. Der Plot, Aufbau der Romanze und die Emotionen wurden von Buch zu Buch besser und passend zum eher dsteren Thema von Band 6, gibt es hier nicht den "Stammtisch"-Humor, der durch alle Bnde ging.ROMANTIK-LEVELEs ist schon etwas erschwerend, wenn der Held des Buches (Rocco) unter Halluzinationen leidet -haha-, die Romanze zwischen ihm und Cat finde ich jedoch schn aufgebaut - das wirklich romantische kommt nach der Hlfte des Buches, fast am Ende zum Vorschein, als Rocco Cat quer ber die Weltkugel hin verfolgt und sie trotz allem, was sie erleiden musste, nicht alleine lsst. DAS ist Romantik! Allerdings habe ich nicht das Gefhl, dass dieses Buch fr "romance only" Liebhaber geeignet ist, es gibt zwar ein HEA (happy ever after), aber bis man soweit ist, tun sich auch Abgrnde auf.SMUT-LEVELIch bin hier etwas zwiegespalten, die Szenen mit Rocco und Cat sind natrlich hei ;) und wie man es von den vorherigen Titan Bchern kennt, sehr explizit beschrieben. Leider war der Vorfall in der Mitte des Buches wie ein Eimer kaltes Wasser und irgendwie verschwand dann mein Verlangen auf weitere erotischen Szenen.RANDNOTIZDie Unterhaltungen von Rocco und Roman sind eines der Lichtblicke in dem Buch~LESEN - JA ODER NEIN?Fr Fans der Serie auf jeden Fall. Man sollte allerdings bedenken, dass dieses Buch starke, dunkle Themen "bearbeitet" und stellenweise wirklich schwer zu lesen ist.FAZIT: Kein Buch, was ich normalerweise lesen wrde - da ich bei meinen Bchern meist auf "heile Welt und Insta-Love" achte (okay, nicht sooo schlimm), aber diese Achterbahnfahrt in Savage Secrets htte ich nicht erwartet. Ein anspruchsvolles Buch, nicht mein Liebling in der Serie, da ich -eigentlich- solche Themen vermeide um einfach nur unterhalten zu werden, aber in sich stimmig, sehr emotional und eine Steigerung in Sachen Intensitt und Erzhlkraft! Fnf Punkte von mir, mit der Warnung, dass man Taschentcher bereit halten sollte.0 von 0 Kunden fanden die folgende Rezension hilfreich. A great readVon Jen R4.5 starsMan these Titan series book are always so intense! I love them, but I can't stop reading once I start. There is always a lot of action, people in trouble, Titan coming to save the day, just lots of intense situations. Savage Secrets was no different. I wish these characters were real as I would love to hang out with them all for a while. I just love every last one of them.Savage Secrets is the story of Caterina and Rocco. Rocco who was stabbed in a fight a few weeks ago that causes him to still hallucinate once and a while. He hates it since he doesn't have any control over it and never knows when it will happen. But he can't tell anyone or else he will get kicked off the team and he does not want that. I really liked him. He is such a sweetheart but you wouldn't want to get on his bad side.Caterina is a special operative who is trying to take down the bad guy terrorist who killed her family in front of her years ago. She has been on a revenge mission ever since then. She is this fiery Spanish girl who first meets Rocco when he is tripping. He is stumbling down the street and she helps him back to his hotel. He doesn't remember in the morning, but she definitely remembers him.When an opportunity opens up for Caterina to get close to the guy she has been hunting she calls in Rocco to be her partner in crime. He is supposed to pose as an arms dealer the bad guy has never seen before and Caterina his new wife. Of course Rocco tries to not think about Caterina as more than a partner, knows that would be a bad idea, but he can't help it. After watching most everyone else settle down he tried that as well, but he chose the wrong partner. Caterina though....There is just something about her. He doesn't always understand what she says, but he loves it when she talks Spanish to him. When she gets all riled up and angry rants to him and he doesn't understand anything she is saying, he is in heaven. He was so cute!Caterina thinks once Rocco knows what she is really about, what her end game is, he will hate her. After all he is a play by the rules kind of guy and she is determined to kill the bad guy not hand him over. Of course he doesn't though. I mean how could he? He is totally falling in love with her. He can't stop thinking about her and he does what needs to be done.I love all these big, tough Titan guys and how they try to just fix everything. Sometimes you can't fix things for other, sometimes you have to let others fix things for themselves. It takes Rocco a long time to come to grips with that, and he almost doesn't, but in the end it all works out. Caterina can be a bit of an idiot at times, there were times where I was yelling at her to stop and think or two seconds as obviously something bad is going to happen here, but I still loved it. Her quest for revenge was very deeply ingrained so the end was a bit rocky, she doesn't always think straight, but Rocco is such a great guy he won't let her just fade away from him. I love these stories. I love all the characters, I love all the secret missions, I love all the ladies, I just love them. Another great read in this series.This review was originally posted to Jen in Bookland0 von 0 Kunden fanden die folgende Rezension hilfreich. Toller Lesestoff!Von CASpannend, ein toller Lesestoff, der natrlich davon handelt, wei ein Mann seine Frau frs Leben findet. Auf der anderen Seite ist diese Serie sehr abenteuerlich und

handelt von einer privaten Firma, die auszieht um andere Menschen zu retten, notfalls auch mit Feuerkraft. Die einzelnen Mitglieder sind sehr rauh, finden aber langsam alle ihr Glck. Mir gefllt diese Serie!
