Von Nora Roberts : Savor the Moment (Bride Quartet) before purchasing it in order to gage whether or not it would be worth my time, and all praised Savor the Moment (Bride Quartet):

KundenrezensionenHilfreichste Kundenrezensionen1 von 3 Kunden fanden die folgende Rezension hilfreich. schnelle Lieferung, schlechte Qualitt, schlechte VerpackungVon DreamcatcherIch muss sagen, dass ich bei dieser Bestellung

wirklich enttäuscht war. Zum einen ist das Buch nicht sehr ordentlich gebunden, sodass man sowohl oben als auch unten den ungleichmäßig verteilten Kleber sieht. Zum anderen wurde dieses Buch einfach mit anderen bestellten Artikeln zusammen in einen großen Paket getan, sodass es durch den ganzen Karton geflogen ist. Dem entsprechend kam es bei mir dann mit "angeditschten" Kanten und Ecken an. Bisher war ich mit den Lieferungen von immer sehr zufrieden, aber dieses Mal bin ich wirklich enttäuscht....3 von 3 Kunden fanden die folgende Rezension hilfreich. A great family!

Von jyosefinSea Swept is the first book in the trilogy. The trilogy tells the stories of the three former juvenile delinquents whom a kind man with his wife had adopted. The three teenagers grew up into fine young men due to the love that the couple has showered upon them."Sea Swept" is Cameron's story. Due to the death of his father, he was summoned from his beloved fast-paced life of fast cars and pretty girls, back to his old family home. His two brothers were already there but there was an additional younger brother, Seth. Seth was adopted a few months before his father's death. He had a pitiful childhood, similar to the other Quinn brothers. Seth was a untrustful kid who kept mostly to himself. Cameron had to learn to live with his brothers again, but this time also ensuring that the welfare of Seth was met. From there, an attraction blossomed between Cameron and a social worker, Anna Spinelli. A heart-warming read...1 von 1 Kunden fanden die folgende Rezension hilfreich. Sea Swept Demonstrates Roberts' Recycling Ability

Von Ein KundeSea Swept may give readers a case of déjà vu. But don't worry, you are not losing your mind, Roberts is just traversing some familiar ground in her latest mainstream romance. Granted, this is hard not to do, given the number of books Roberts has written. With Sea Swept's main characters, the three Quinn brothers, Roberts has recycled some of her earlier work, especially her Mackenzie brothers series for Silhouette Intimate Moments. Even though we've seen these guys, or shades of them, before, they are still entertaining. While Roberts may have a gift for creating appealing and realistic male characters, she too often draws heroines that are equally unappealing. Such is the case in Sea Swept. Anna Spinelli, the love interest for hero Cameron Quinn, is unsympathetic. Though Roberts tried to create a strong, pulled-herself-up-by-her-bootstraps heroine, what she ends up with is an unattractive woman who comes across as rather cheap. Hero Cameron Quinn, disappoints as well. His transformation from immature, self-absorbed playboy to responsible, somewhat grown-up, is unconvincing. Given the shortcomings of Roberts' main characters, it is not surprising that their love story leaves readers cold. Based solely on sex, Cameron and Anna's relationship is shallow and leads to an unconvincing happily-ever-after ending. Sea Swept's best moments are the scenes between the Quinn brothers. They are funny and the dialog and thought processes of the men ring true. In these instances, Roberts does prove that she knows how to write convincing male characters. What Roberts is unable to prove, though, is that she, or her editor, proofread her work. Early in the novel, Quinn brother Phillip has a navy blue Land Rover. Later on he has a Jeep. This kind of sloppiness should not be tolerated by writers, editors or readers. Readers will tire of the too-good-to-be-true patriarch of the Quinn family, "The Mighty Quinn" (ugh). His saintliness gets old fast and, Surprise, Cameron starts having conversations with the man, who, in addition to his other sterling qualities, has the ability to come back from the dead to offer comfort and counsel to his children. This book gets a 6 because Roberts failed to create a hero and heroine that engage readers' sympathies or interest. The skill and humor she displays in the creation of the three Quinn brothers is not enough to offset the failings of the hero, heroine and their relationship.

KurzbeschreibungNew love takes the cake in the third novel in #1 New York Times bestselling author Nora Roberts's Bride Quartet. Wedding baker Laurel McBane is surrounded by romance working at Vows wedding planning company with her best friends Parker, Emma, and Mac. But she's too low-key to appreciate all the luxuries that their clients seem to long for. What she does appreciate is a strong, intelligent man, a man just like Parker's older brother Delaney, on whom she's had a mega-crush since childhood. But some infatuations last longer than others, and Laurel is convinced that the Ivy League lawyer is still out of her reach. Plus, Del is too protective of Laurel to ever cross the line with her-or so she thinks. When Laurel's quicksilver moods get the better of her-leading to an angry, hot, all-together mind-blowing kiss with Del she'll have to quiet the doubts in her mind to turn a moment of passion into forever...Don't miss the other books in the Bride Quartet

Vision in WhiteBed of RosesHappy Ever AfterFrom the Paperback edition.Pressestimmen "No one writes relationships as well as Ms. Roberts, with the subtleties and quirkiness of the give and take of friendship and romance, and Laurel and Del's story highlights her gift at its best."Fresh FictionIts impossible to deny Roberts's flair for sketching likable couples.Publishers Weekly "The evolution of a longstanding friendship into passion-ate love is delightfully explored in this warmly romantic tale. Roberts never disappoints and this book is the perfect cure for whatever ails you!"RT Book sIts the ultimate feel-good wish-fulfillment fantasy, and Nora Roberts is a true pro at delivering on those. Errant Dreams
