Kurzbeschreibung Sometimes life gives you something magical - if Drill can rescue a dragon that is. The Old Tavern Club is a front for a shifter rescue organization. The BDSM club works well in keeping the owner's true purpose secret, but when Pirou makes an unusual rescue, it might just be beyond the club's purview. So he calls in Drill, the owner's brother. Drill has never even heard of a dragon shifter before, much less seen one, yet that's exactly what the beast in the club's basement looks like. As he works with the dragon, he finds all his instincts insisting that this is the sub he's been looking for. Can Drill and the dragon rescue a happy ending for themselves?
